Human Resource (Talent) Development Ronald R. Sims, 2023-01-01 The rapidly transforming environment that we live in has made human resource development HRD all the more necessary for the success of today's organizations HRD initiatives help their organizations by developing employees who assist their organizations in not only surviving but thriving in our increasingly global world Today's best practice or benchmarked organizations and their HRD professionals continue to recognize the importance of employee learning knowledge skills and motivation to organizational success This recognition increasingly opens many doors as organizational leaders accept the fact that HRD initiatives can be used to ensure that organization members have what it takes to successfully meet the demands that confront them and their organizations This book takes the position that HRD can demonstrate how their initiatives help to develop a superior workforce so that the organization and its individual employees can accomplish their strategic and operational goals in service to their clients or customers This book is written with the belief that HRD professionals have many opportunities to learn change and find ways both in and outside of the workplace to contribute to the development of learning organizations as we move further into the 21st century A major point of this book is that HRD will continue to become more and more important to organizational success when one considers the increased responsibilities HRD professionals have taken on during and post the COVID pandemic The primary audience for this book is practicing HRM and HRD professionals and other organizational leaders The book provides proven ideas important to demonstrating the value of HRD From a practical viewpoint it is based on actual experience a strong research base and accepted practices presented in an easy to read form A second target audience is students of HRD and HRM who are preparing for careers in this important field This book will help them develop a solid foundation to the study of HRD practices or initiatives that are key to HRD success regardless of the type of organization A third target audience is managers or leaders at all levels of an organization who are expected to take on a number of HRD responsibilities e.g. as trainers coaches mentors change agents and so on while regularly partnering with HRD professionals It offers these individuals a firsthand look at what they should expect of their HRD functions or areas and how they can effectively work with HRD professionals in their organizations to achieve the organizations strategic goals by getting the most out of its human people

The Newbie Author's Survival Guide A.K. Taylor, 2016-11 After crash landing into self publishing with nothing but the clothes she had on author AK Taylor fought for survival with trying to market her books on a small budget After two years of trial and error reworking refining and reaching out she has created the first survival guide for book marketing compiled of great tools and resources that can be used by any author during the rough times Comparing the book marketing wilderness with the real wilderness is how Taylor viewed the publishing world around her Growing up in the woods and learning survival skills has given her this unique viewpoint for a different kind of world When she started her search for information a book marketing survival guide didn't exist until now Short Have you ever been lost in the wilderness

Being lost in the wilderness is more dangerous and scarier than being lost anywhere else and more things can happen Book marketing is just like being lost in the real wilderness with pitfalls dangerous plants and animals and knowing what is needed to survive during the rough times Using outdoor survival skills and applying them to book marketing AK Taylor has created the first survival guide for book marketing on a small budget
