Balancing Automation and Human Interaction in Modern Marketing Nair, Arjun J., Manohar, Sridhar, Mittal, Amit, Ahmed, Wasim, 2024-04-05 In modern marketing a pivotal challenge has surfaced finding the delicate balance between automation and human interaction This challenge stems from the rapid advancement of artificial intelligence AI technologies which while promising unparalleled efficiency and innovation also lack the personal touch inherent in traditional marketing As AI gains prominence marketers grapple with integrating automated processes while preserving the authenticity and emotional resonance that human engagement brings Balancing Automation

and Human Interaction in Modern Marketing positions itself as a guiding force in achieving balance amid the changing marketing landscape. Within the pages of this book lies a comprehensive exploration of contemporary marketing challenges centered on striking the right balance between automation and human interaction. The quest for optimal equilibrium threads through topics such as elevating customer experiences, scalable personalization through AI, emotional intelligence in marketing, and the critical role of human-centered design. By addressing these challenges head-on, the book provides practical advice for implementing AI in marketing but positions ethics at the forefront. It advocates for responsible AI-driven marketing, fostering trust and ensuring that the human touch remains a cornerstone of brand-consumer relationships.

Techno-societal 2022 Prashant M. Pawar, Babruvahan P. Ronge, Ranjitsinha R. Gidde, Meenakshi M. Pawar, Nitin D. Misal, Anupama S. Budhewar, Vrunal V. More, P. Venkata Reddy, 2023-09-22. This book, divided into two volumes, originates from Techno Societal 2022, the 4th International Conference on Advanced Technologies for Societal Applications, Maharashtra, India. The conference brings together faculty members from various engineering colleges to solve relevant regional problems in India under the guidance of eminent researchers from various reputed organizations. The focus of Volume I is on technologies that help develop and improve society, with particular emphasis on sensor and ICT-based technologies for the betterment of people, technologies for agriculture and healthcare, micro and nano technological applications, as well as Artificial Intelligence and Big Data. Volume II delves into commercially successful rural and agricultural technologies, engineering for rural development, ICT-based societal applications, manufacturing and fabrication processes for societal applications, material science composites, and sensor image and data-driven societal technologies. This conference aims to provide a platform for innovators to share their best practices or products developed to solve specific local problems, which in turn may inspire other researchers to solve similar problems in their regions. Additionally, technologies proposed by expert researchers may find applications in different regions, making it a multidisciplinary platform for reporting innovations at different levels in Science, Engineering, and Technology.

Campaign Management for Campaign Managers and Middle Management in Digital Marketing, Advertising and Branding Akshat Singh Bisht, 2025-10-31. Campaign Management for Campaign Managers and Middle Management in Digital Marketing, Advertising and Branding is the only book in the world that dives deep into the science of digital marketing campaign optimization and management. While most books merely explain what digital marketing is, this one reveals how campaigns truly work, how they are built, optimized, and scaled to deliver measurable growth. It is a complete roadmap for those who want to move beyond just running ads and start mastering data-driven, goal-oriented campaign management. Focused primarily on digital marketing campaigns, this book unpacks every layer of the campaign lifecycle, from planning and audience research to execution, testing, performance tracking, and optimization. Readers will learn how to design high-performing Google, Meta, and cross-platform campaigns that convert. Analyze campaign data to identify inefficiencies and improve ROI. Apply real optimization strategies.
