National Education Policy 2020 AI Game It contains an interesting game or activity for the students to try on their own or with their classmates to learn how the game mechanics work while having fun
Brainy Fact It presents an interesting fact relevant to the topic or the chapters AI in Life It presents questions that promotes the moral growth and experiential learning
AI Deep Thinking It presents a question scenario in which the students are required to think deeply and apply their knowledge
Digital Solutions DESCRIPTION Artificial Intelligence is the most talked about subject and we all understand that the future lies in knowing it well
The Touchpad AI series is written for classes I to VII keeping in mind about the future and scope that lies in AI
Classes VIII to XII are strictly based on CBSE curriculum They have competency based questions to ensure that students are capable of applying their learning to solve some real life challenges
The knowledge is spread in a phased manner so that at no age the kid finds it difficult to understand the theory
Each lesson begins with a short conversation between human characters and one humanoid which tries to explain in simple words about the topics related to Artificial Intelligence
The story is built up in such a way that the curiosity of the reader compels to read the entire lesson
The idea behind introducing humanoid is to touch the hearts of our kids with the existence of friendly robots in the form of humanoids
Touchpad Artificial Intelligence series has some salient features such as AI Reboot AI Deep Thinking AI in Life AI Lab and AI Ready which ensures that NEP 2020 guidelines are followed
There are plenty of Video Sessions for students and teachers to go beyond the syllabus and enrich their knowledge
There are some brainstorming questions in the form of AI Task in between the topics to ensure that students give pause to their learning and use their skills to reach to some creative ideas in solving given problems
I would like to humbly acknowledge the support provided by my family friends and Orange Education Pvt Ltd team to accomplish this noble task
I am sure that this book will prove to be a tool in making the students future ready for Artificial Intelligence
Wishing learners great success in future endeavours
Enjoy the journey of happy learning
