Practical Strategies and Case Studies for Online Marketing 6.0 Wongmahesak, Kittisak, Karim, Fazida Binti, Wongchestha, Nititorn, 2025-05-08 In today's digital landscape staying ahead in online marketing demands more than just keeping up with trends. Marketers must master the new era of online marketing. Online marketing 6.0 represents a new era of marketing innovation by using AI personalization and new immersive experiences that redefine how brands connect with consumers. Through proven strategies and compelling case studies, industry leaders are leveraging the latest tools and platforms to drive growth, build loyalty, and create memorable digital experiences that resonate in a saturated market. *Practical Strategies and Case Studies for Online Marketing 6.0* is a comprehensive collection of real-world examples showcasing the innovation in online marketing 6.0. It explores the evolving world of digital marketing, moving beyond the traditional tools into a more technology-based approach. This book not only shows the successful case studies but also the challenges faced in online marketing, highlighting the lessons learned and the adaptability required in this rapidly changing environment. This book covers topics such as AI, metaverse, and ethical and sustainable marketing practices and is a useful resource for marketing managers, digital marketing specialists, entrepreneurs, business owners, and marketing students. *Reputation Management* John Doorley, Helio Fred Garcia, 2025-04-03 The fifth edition of this classic text, which was the first on the subject of reputation management, gives readers the guidance and skills needed to manage brand and reputation through effective performance, behavior, identity, and communication strategies. This edition is updated throughout, including current information on digital media, new global examples, and a renewed emphasis on organizational and environmental sustainability. Each chapter again features timely and illustrative cases by the authors and contributions from leaders in the field, with new cases in this edition on such topics as COVID-19, artificial intelligence, and generative AI. Additionally, the book maintains its consistent throughline focusing on corporate ethics. This fifth edition is a must-have reference for students taking classes in public relations, management, corporate communication, communication management, and business. CEOs, business leaders, and professionals working in these areas find it a reliable resource for measuring, monitoring, and managing reputation. Online resources also accompany the text.
