Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions, and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media, and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists, and media professionals who wish to stay updated on the recent shifts in public relations and media communication. Proceedings of the Jepara International Conference on Education and Social Science 2024 (JIC 2024) Agus Subhan Akbar, Mayadina Rohmi Musfiroh, Mochammad Qomaruddin, Mohammad Rifqy Roosdhani, Husni Mubarak, Nina Sofiana, 2025-12-16 This is an open access book. Jepara International Conference JIC is an international conference held annually in Jepara, Indonesia. The conference aims to bring together scholars, researchers, and practitioners from around the world to discuss and share their latest findings on a variety of topics related to sustainable development, education, and digital society. The theme of the 2024 JIC is The Sustainable Technology of Coastal Development, Advance Education, and Digital Society. This theme is particularly relevant to Jepara, a city located on the north coast of Java Island. Jepara is facing a number of challenges related to coastal erosion, climate change, and the need to improve education and digital literacy. The JIC will provide a forum for discussing these challenges and identifying innovative solutions. The JIC will feature a number of keynote presentations, panel discussions, and paper presentations. There will also be opportunities for networking and collaboration among participants. *Digital Transformation for Fashion and Luxury Brands* Wilson Ozuem, Silvia Ranfagni, Michelle Willis, 2024-04-16 This book re-evaluates the diffusion and positioning of fashion and luxury brands following the impact and disruption of digital transformations, particularly on existing omni-channel models and touchpoints and consumer behaviours. Internet Memes and Copyright Law Brian Chun Lok Leung,2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union s Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re

creations that define internet meme culture The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright's foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law **Optimizing Mom's Cookies**
