Marketing for Tourism, Hospitality & Events Simon Hudson, Louise Hudson, 2023-12-04. This cutting edge and engaging student textbook, now in a second edition, provides essential coverage of marketing principles for Tourism, Hospitality and Events with a strong focus on the increasing global and digital aspects of these industries. The text has been updated to include all the latest industry developments, practice and research including the lasting impacts of Covid 19 on consumer behaviour and in turn the tourism, hospitality and events industries as well as the accelerated role of digitalization and use of new technologies such as artificial intelligence and the metaverse, both of which are changing how people conceive of travel and experiences whilst blurring the boundaries between what is real and virtual. Popular chapter features such as Lessons from a Marketing Guru featuring personal insights from real world practitioners and Digital Spotlights which highlight the ways in which technology has transformed tourism, hospitality and events and Marketing in Action case studies continue to help bring the text to life through fun and relevant examples from a wide variety of organizations and regions across the globe. This textbook is essential reading for any university or college course looking at marketing in relation to tourism, hospitality and events. Simon Hudson is a tourism and hospitality professor at the University of South Carolina. Louise Hudson is a freelance travel journalist writing for a host of newspaper travel sections, online tourism sites and her own blog.

The Public Relations Strategic Toolkit Alison Theaker, Heather Yaxley, 2017-10-12. The Public Relations Strategic Toolkit presents guidance to instruct and educate students and professionals of public relations and corporate communications. Alison Theaker and Heather Yaxley cover every aspect of critical practice including definitions of public relations, key theoretical concepts and both original and established methodological approaches. Case studies and interviews are featured to provide real world context and advice for professional development. The new edition is fully revised with brand new case studies and updated content which reflect significant developments in theory and contemporary practice. It puts particular emphasis on the use of technology including automation and social media in current public relations planning, corporate communications and stakeholder engagement. The book is divided into four parts covering the profession, public relations planning, corporate communication and stakeholder engagement. Features include definitions of key terms, contemporary case studies, interviews with practitioners, handy checklists, practical activities and assignments. By combining theory and practice with an invaluable insight from experts in the field, this guide will introduce readers to all the professional skills needed for a career in public relations.
