Sierra Educational News ,1949 The Referral Engine John Jantsch,2012-09-25 The small business guru behind Duct Tape Marketing shares his most valuable lesson how to get your customers to do your best marketing for you The power of glitzy advertising and elaborate marketing campaigns is on the wane word of mouth referrals are what drive business today People trust the recommendation of a friend family member colleague or even stranger with similar tastes over anything thrust at them by a faceless company Most business owners believe that whether customers refer them is entirely out of their hands But science shows that people can t help recommending products and services to their friends it s an instinct wired deep in the brain And smart businesses can tap into that hardwired desire Marketing expert John Jantsch offers practical techniques for harnessing the power of referrals to ensure a steady flow of new customers Keep those customers happy and

they will refer your business to even more customers Some of Jantsch s strategies include Talk with your customers not at them Thanks to social networking sites companies of any size have the opportunity to engage with their customers on their home turf as never before but the key is listening The sales team is the most important part of your marketing team Salespeople are the company s main link to customers who are the main source of referrals Getting them on board with your referral strategy is critical Educate your customers Referrals are only helpful if they re given to the right people Educate your customers about whom they should be talking to The secret to generating referrals lies in understanding the Customer Referral Cycle the way customers refer others to your company who in turn generate even more referrals Businesses can ensure a healthy referral cycle by moving customers and prospects along the path of Know Like Trust Try Buy Repeat and Refer If everyone in an organization keeps this sequence in mind Jantsch argues your business will generate referrals like a well oiled machine This practical smart and original guide is essential reading for any company looking to grow without a fat marketing budget

which an organization rewards its affiliates for bringing in customers or visitors through the affiliates marketing efforts conducted independently of the organization itself Most businesses in the world want to grow and increase their revenues by getting more customers There are several ways how they can accomplish this The first way is to find customers willing to pay for the products or services that these businesses are selling They can spend a fortune on advertising or they can get someone else to get customers for them Let s say a business is willing to pay 40 for every sale This means that it can either spend money on marketing or pay it to its affiliates via commissions Affiliate marketing can be one of the quickest ways to make money on the Internet To get started with affiliate marketing you do not need a website a list of customers or a product You can simply get an affiliate link start promoting it and start making cash immediately Most of the biggest merchants on the Internet including Amazon do have affiliate programs This means that using affiliate marketing you can participate in the sales of some of the hottest products on the Internet even though it is someone else who has created those products Affiliate marketing is also a great way to get started with marketing on the Internet A lot of people don t try selling something online because they erroneously believe that they need to create a product or a service first However this is simply not true You do not have to create anything You can simply do some research find out what sells well and start selling and advertising it too This way you do not have to spend countless hours creating or sourcing products but can start making money and learning Internet marketing by doing very quickly Finally affiliate marketing is a great way to add streams of income to already existing businesses If you have a business the fact that your customers are buying from you means that they trust you and that they value what you have You have a relationship with your customers that you can expand using affiliate marketing recommend products or services and make money in the meantime For example if you sell information products to a certain business niche about becoming more successful by making marketing measurable you can become an affiliate and start selling software that helps your clients accomplish their goals You could also sell them products and services that help them run their businesses If you also teach personal productivity you could be selling vitamins and supplements The list of the things that you could do is virtually unlimited One of the biggest misconceptions about affiliate marketing is that it doesn t take any work Affiliate business model makes perfect sense to businesses that want to recruit affiliates to sell their products or services Such businesses don t have to invest in advertising or worry about spending advertising dollars ineffectively All the risk in this business model falls on the shoulders of the affiliates Here Is The Overview Of The Lessons You Will Learn What is Affiliate Marketing and who it is for How Affiliates Make Their Money How To Find A Profitable Niche How To Target Your Audience The Difference In Mobile and Target Marketing How to Optimize Campaigns And Much More Let s Go Out There and create success
