Democratizing Journalism through Mobile Media Ivo

Burum,2016-04-20 Fuelled by a distrust of big media and the development of mobile technologies the resulting convergence of journalism praxis professional to alternative workflows analogue to multipoint digital and platforms PC to mobile result in a 24 hour always on content cycle The information revolution is a paradigm shift in the way we develop and consume information in particular the type we call news While many see this cultural shift as ruinous Burum sees it as an opportunity to utilize the converging information flow to create a galvanizing and common digital language across spheres of communication community education and mainstream media Embracing the digital literacies researched in this book will create an information bridge with which to traverse journalism's commercial precarity the marginalization of some communities and the journalism school curricula

Universities and Regions Michael Shattock,Aniko Horvath,2023-04-06

This book explores the impact of localities and regions on universities and shows how the diversity of the higher education landscape is critically affected by the geophysical character of regions and their differentiated economies and cultures regional inequalities bear heavily on universities strategy making A study of the interrelationship between higher and further education argues that from a regional perspective a change to a tertiary education system in England following Wales would create the conditions for better local and regional coordination Universities make a significant contribution to levelling up through technology transfer and the creation of innovation hubs but the contribution of locally or regionally based students

who on graduation return to disadvantaged communities rather than seek employment elsewhere should be recognised also as a longer term step to redressing regional inequality The book argues strongly that the time has come to decentralise the governance of a re aligned tertiary system to regions and identifies the move to create metro mayors and combined authorities as providing the appropriate vehicle to release new initiative from regional sources It cites the success of decentralisation to Scotland and Wales as offering relevant models for scrutiny The authors draw on 12 UK widely differentiated university case studies a survey of further education and a study of three continental European comparators Germany Ireland and Norway to develop the argument *Halliwell's Film & Video Guide 2004* Leslie Halliwell,2003 This guide to the film industry from the 1900s to the present day has now been updated with John Walker s critiques of the films that have been turning heads in 2002 3 It delivers all the cast and crew credits fun trivia and behind the scenes information you need on thousands of movies over 23 000 including hundreds of new ones This perennial guide also includes plot synopses and critical evaluations as well as video cassette laser disc and DVD availability Reader friendly icons denote films suitable for family viewing Academy Award Winners and nominees soundtrack availability and video format compatibility The guide also contains lists of four star and three star films by title and year **Halliwell's Film, Video & DVD Guide** ,2005
