Employment in Sub-Saharan Africa Deon Filmer, Louise Fox, 2014-01-24 This book focuses on how to improve the quality of jobs and meet the aspirations of youth in Sub Saharan Africa It finds that a strong foundation for human capital development can be key to boosting earnings arguing for a balanced approach that builds skills and demand for labor

Youth and Employment in Sub-Saharan Africa Hiroyuki Hino, Gustav Ranis, 2014-06-05 It is widely acknowledged that youth unemployment is one of the most critical challenges facing countries in Sub Saharan Africa This volume brings together an eminent group of international scholars to analyse the extent and complex nature of this joblessness and offer a set of evidence based policy choices that could contribute to solving the problem in the short and long run Part I reviews the existing literature on youth unemployment and underemployment in Sub Saharan Africa from microeconomic and macroeconomic perspectives while Part II goes on to present detailed country studies of Ethiopia Ghana Kenya and South Africa These studies offer a deep understanding of the situation on the ground and consider country specific solutions Throughout the book it is argued that the standard ILO definition of unemployment is too narrow to correctly portray employment situations in Sub Saharan Africa Several alternative measures of unemployment are presented which show that joblessness is far more pervasive than commonly assumed in the literature This volume will be of interest to academics and policy makers involved in African development **Adolescent Psychology in Today's World** Michael J. Nakkula, Andrew J. Schneider-Muñoz, 2018-11-02 This groundbreaking three volume set spotlights how conditions around the world are affecting the healthy development of adolescents in their respective environments on all six continents Continually unstable or perpetually poor economic conditions globalization and rapid technological change are just three of the forces affecting a

group 1 2 billion strong today a demographic poised to become our world leaders and catalysts in the not too distant future the world s adolescents Led by two editors who have been dedicated to studying adolescent development worldwide for decades this novel collection of works from contributors in more than 40 countries emphasizes how possibilities for healthy mental and physical development are affected by the difficulties youths face in their countries and how these challenges have shaped and are shaping contemporary teenage life today The set comprehensively addresses issues for adolescents across the globe such as the day to day challenges of poverty inadequate education violence or war disease reproductive matters globalization and technological challenges and more while also providing a strengths based focus in the volumes showing how and why some teenagers in each country have surmounted the challenges and forged stronger characters to better their worlds These stories document more than personal victories and their experiences matter to far more than the adolescents themselves In its State of the World s Children 2011 report UNICEF noted that the world community needs to turn its attention to adolescents in need explaining that focusing on this large and potentially powerful group makes economic sense as well as being a necessary step in working towards achieving human justice By addressing the risks challenges and strengths of teenagers as a group in countries worldwide this work serves to break the cycle of poverty violence discrimination and death for adolescents *Youth International Labour Office,2005* **Youth and Freedom** ,1963
