No gatekeepers. No fluff. Just action.

Remote Working Alan Felstead, 2022-01-20 The coronavirus pandemic forced work back into the home on a massive scale. The long-held belief that work and home are separate spheres of economic life was turned on its head overnight. Many employees were new to this way of working, and many employers had to manage a disparate workforce for the first time. This book reviews what impact this shift had on the lives of millions of employees, the organisations which employ them, and the societies in which they live. It also looks to a future in which more work is carried out remotely, at home, in the local café, restaurant, or bar, or while moving from place to place. The book synthesises the existing evidence in an accessible and easy-to-read way. It will appeal to all those who want a quick and concise introduction to the major themes associated with remote and hybrid working. This will include teachers, lecturers, students, academics, and policy makers, as well as those who have experienced the challenges and benefits of homeworking first hand.

Getting Started From \$0 | A Beginner's Guide to Earn Money from Scratch Ejaj Saifi, 2021-04-14 They say money isn't important, but they're lying. They're making a fool of you. They don't want you to reach the bottom. They just want you to scrape the dirt above. They mislead you. They don't let you see through the bottom. They don't want you to get your hands on the oil and minerals. They absorb everything and persuade you with tempting and attractive things. This is a book about making money from scratch. This book will teach the methods and secrets of earning millions, as well as how the rich become rich and the poor remain poor. This is a comprehensive guide on how to earn money without any investment. A guide for people with nothing in their pockets. This book covers both the

beginner earning process and the multiplier method This book will show you how to save money and multiply it exponentially
