Emerging Work Trends in Urban India Nidhi

Tandon, Pratyusha Basu, Omkumar Krishnan, Bhavani R.V., 2022-03-10. This book offers an overview of India's emerging digital economy and the resulting challenges and opportunities for urban workplaces. It examines contemporary economic and social transformations in India by focusing on how new technologies and policies are shaping urban work practices and patterns. The book emphasizes inclusive and equitable practices that consider the needs of the formal and informal sector workforce as essential to India's urban development. Drawing on cross-disciplinary frameworks, it examines key issues related to work trends in the Indian urban economy and its digital landscapes, including Industry 4.0 and technology-labour nexus, smart cities, and innovation, urbanism, and consumerism, workplace transitions such as service industry and remote work, digital divide, skill development initiatives, and the impact of socio-economic inequalities and disruptions. The authors provide perspectives on the digital future of urban work in India and other emerging economies in the post-COVID-19 phase and underscore the importance of enacting balanced policies, remodelling institutions, and equipping the labour force for adapting to new demands related to future employability and investments. This book will interest students, teachers, and researchers of urban studies, urban sociology, sociology of work, labour studies, human and urban geography, economic geography, urban economics, development studies, urban development and planning, public policy, regional planning, politics of urban development, social and cultural change, urban sustainability, environmental studies, management studies, South Asian Studies, and Global South studies. It will also be useful to policymakers, non-governmental organizations, activists, and those interested in India and the future of the global economy.

Managing Complexity and COVID-19 Aurobindo Ghosh,Amit Halder,Kalyan Bhaumik,2022-07-04 This book brings together insights and perspectives from leading medical legal and business professionals as well as academics and other members of civil society on the threats and opportunities to life during the COVID 19 pandemic It provides a uniquely interdisciplinary perspective for policymakers researchers and medical professionals to assess the different practical strategies and risk and crisis

management processes available to them in addressing the very difficult choices with which they are presented and their implications. The book presents a framework for the different facets of strategic choices faced by policymakers between life and livelihood and the challenges of protecting health versus reopening the economy. It also evaluates the intense challenges faced by frontline medical professionals and scientists during an unfolding catastrophe. Finally, the authors explore the societal and human elements of the pandemic and its impact on family dynamics, society, education, and business, including the technology, creative, entertainment, and leisure industries. This book is deliberately short and captures key insights on the COVID-19 pandemic to form an interdisciplinary overview for professionals, policymakers, and business leaders to consider the long-term implications of the pandemic and lessons for future crises.
