

NEWS FROM ALL OVER THE WORLD

Learning changed dramatically because of Covid-19

Many teachers say that teaching has changed dramatically because of Covid-19. Some say that learning has become more interactive and engaging, while others say that it has become more isolated and less effective. The pandemic has forced educators to adapt to a new way of teaching, one that is more flexible and responsive to the needs of their students.

Education without borders

Education without borders is a concept that has gained traction in recent years. It refers to the idea of providing education to people regardless of their location or background. This can be done through a variety of means, including online learning, mobile learning, and community-based learning.
