Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies, grade 1.3, University of Applied Sciences Cologne, language English. Abstract: This thesis aims to realize how influencer marketing performs and its impact on the Cx. Therefore, the research addresses the following questions: How powerful are influencers these days? What is different about influencer marketing and why is it a successful strategy? How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers? What impact does an influencer have on the overall Cx? The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide, and 4.7 billion people use social media. SM. Ultimately, 93% of those with internet access own at least one SM account, that is, more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z, people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio, for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach, they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products, influencers show how to use them, where to buy them, and give their opinion. For higher sales, influencers often receive promo codes for a discount or free products for each order.

Gender in Digital Entrepreneurship Grisna Anggadwita, Léo-Paul Dana, Veland Ramadani, Alain Fayolle, Justina Shiroka-Pula, Adhi Prasetyo, 2025-12-16 This book offers a

comprehensive exploration of the intersection between gender and digital entrepreneurship focusing on emerging countries. Despite the transformative potential of digital technologies, gender disparities in entrepreneurship persist, particularly in emerging countries. Women entrepreneurs often face a unique set of challenges that hinder their participation and success in the digital economy. Therefore, understanding the unique challenges and opportunities faced by women entrepreneurs is crucial in those areas. From access to capital and networks to overcoming societal biases, this book delves into the complexities of gender dynamics within the digital startup ecosystem. Through real-world case studies, this book highlights both the achievements and challenges experienced by digital entrepreneurs, especially for women. This book provides both inspiration and practical insight, serving as a valuable resource for policymakers, educators, and aspiring entrepreneurs in advancing gender equality within the digital landscape. Aligned with Sustainable Development Goal 5 (SDG 5), it emphasizes the promotion of equal access to economic resources for women, the empowerment of women through technology, and the adoption and reinforcement of policies and legislation that support gender equality.

TikTok For Business Raymond Wayne, 2022-09-17. Are You Ready To Make Your Business Go Viral With TikTok? It's About Time For You To Learn And Dominate TikTok Marketing For Business. According to the information presented on the website BusinessOfApps.com, the number of active TikTok users topped 1.2 billion in the month of March 2022. Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close, and 2022 began. TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format, which is quite popular, particularly among younger people. This format has gained a lot of traction in recent years. Because TikTok today has more than 1.2 billion active users, it is highly likely that you will be able to locate your target demographic on the network. You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas. A user is considered to be a micro influencer by TikTok if they have at least 10,000 followers, and it is common for these individuals to have a sizable following in the region in which they reside. However, it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral. Getting the marketing plan for your TikTok channel just right is not a simple feat. On TikTok, numerous companies have wasted their time and resources attempting to sell their brands' products and services. If you want to get the most out of your efforts to promote your company on TikTok and to create videos for it, you need to educate yourself on how to do so in the most effective manner. You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach, as well as the means by which you can amass a greater number of views and followers. Here's where my advice for you comes in. You will approach the promotion of your business on TikTok and the creation of videos in the right way to achieve the best results. You will learn the benefits of adding
