Soulware Way Kuo, 2019-04-24 This book is a critical account of the history, evolution and challenges of higher education in mainland China, Taiwan and Hong Kong with important reflections on other systems notably those in the US, UK, Korea and Japan. In addition to hardware and software, it introduces the concept of Soulware in global higher education and analyses its importance for internationalization and the pursuit of excellence. In an age where robots and artificial intelligence are impacting our jobs and our daily lives, its critical analysis and insightful reflections provide considerable value for a range of global stakeholders interested in higher education reform to nurture talent and promote innovation to prepare students for an unpredictable future. Professor Kuo's perspective provides considerable value for a range of global stakeholders both in the east and the west. As American universities awake to the realization that the demand for higher education is an increasingly global phenomena, his contribution could not be more timely.

Mike Crow PhD President Arizona State University Way Kuo advances a powerful historical argument for the means to achieve excellence in Asian universities. His recipe is bold leadership combining excellence in teaching and research and embracing the lessons of western university successes and failures. A superb combination of history and forward thinking.

Michael Kotlikoff VMD PhD Provost Cornell University Way's book is not just about the past or the present. Rather, it offers useful insights into the future. In an age where robots and artificial intelligence are impacting our jobs and our daily lives, he introduces the concept of soulware and analyzes its importance for higher education.

G. P. Bud Peterson PhD President Georgia Institute of Technology Differing from their Western counterparts, Chinese universities will demonstrate their own cultural characteristics. In this regard, Professor Kuo's book offers us many valuable insights.

Yong Qiu PhD President Tsinghua University Beijing Wisdom is the ultimate goal of higher education. It is the illumination of that wisdom among audiences, English speaking or Chinese speaking, to which Way Kuo's book hopes to kindle a spark.

Frank H. Shu PhD President 2002-06 National Tsing Hua University Hsinchu and University Professor Emeritus University of California Berkeley and San Diego
