Data Borders Melissa Villa-Nicholas, 2023-07-11 *Data Borders* investigates entrenched and emerging borderland technology that ensnares all people in an intimate web of surveillance where data resides and defines citizenship Detailing the new trend of biologically mapping undocumented people through biotechnologies Melissa Villa Nicholas shows how surreptitious monitoring of Latinx immigrants is the focus of and driving force behind Silicon Valley's growing industry within defense technology manufacturing Villa Nicholas reveals a murky network that gathers data on marginalized communities for purposes of exploitation and control that implicates law enforcement border patrol and ICE but that also pulls in public workers and the general public often without their knowledge or consent Enriched by interviews of Latinx immigrants living in the borderlands who describe their daily use of technology and their caution around surveillance this book argues that in order to move beyond a heavily surveilled state that dehumanizes both immigrants and citizens we must first understand how our data is being collected aggregated correlated

and weaponized with artificial intelligence and then push for immigrant and citizen information privacy rights along the border and throughout the United States **Country Guide and Nor'west Farmer** ,1911 **A Writer's Reference with Exercises** Diana Hacker,Nancy Sommers,2024-09-26 A Writer s Reference with Exercises answers common writing questions helps you accomplish college assignments with confidence and gives you strategies for using AI tools responsibly to save time but still sound like you *Advancing Responsible AI in Public Sector Application* Balaraman Ravindran,Abhishek Singh,2025-09-18 Responsible use of AI in public sector applications requires engagement with various technical and non technical areas such as human rights inclusion diversity innovation and economic growth The book covers topics spanning the technological socio economic spectrum including the potential of AI ML technologies to address social and political inequities privacy enhancing technologies for datasets friction less data sharing and data stewardship models regional geographical inequities in extraction and so forth Features Focuses on technical aspects of responsible AI in the public sector Covers a wide range of topics spanning the technological socio economic spectrum Presents viewpoints from public sector agencies as well as from practitioners Discusses privacy enhancing technologies for collecting processing and storing datasets and friction Reviews frameworks to identify and address biased AI outcomes in the design development and use of AI This book is aimed at professionals researchers and students in artificial intelligence computer science and engineering policy makers social scientists economists and lawyers *A Writer's Reference with Writing about Literature* Diana Hacker,Nancy Sommers,2024-10-01 Your college writing will be one way you put your ideas and your self out into the world A Writer s Reference helps you strengthen your skills for that important work It helps you develop a range of literacies writing reading thinking collaborating using information and working responsibly with AI Acknowledging that generative AI tools are part of many writer s processes A Writer s Reference teaches concrete flexible strategies for applying your human intelligence to artificial intelligence see C1 a and the AI tips throughout It helps writers to see AI not as a substitute but a starting point because if you ve heard the expression you do you know that AI simply can t do you Not authentically It seems magical but in fact it understands nothing can t think and won t ever replace the human voice your readers will want to hear

Reader Bot Naomi S. Baron,2026-01-20 What happens to human reading when AI bots can do it for us Explosive developments in artificial intelligence have awed everyday users with the technology s ability to draw do computer coding and especially to write Those AI generated essays and poems legal briefs and responses to requests for information are all visible evidence of large language models at work What we don t see is the critical prior step before it can write AI needs to read While AI s written outcomes are remarkably similar to what a diligent student lawyer or researcher might produce AI doesn t read the way that humans do Now that AI is proving an adept reader what happens to our own reading skills and motivations especially at a time when both voluntary and school reading are increasingly on the decline We have learned that when we let chatbots write for us there are pros and cons to handing over our virtual pens It s critical that we also think

through the consequences of relinquishing reading a deeply human activity to bots What do we stand to gain and lose when we let AI read for us Tracing the intersecting trajectories of AI and reading Reader Bot tackles this vital question revealing why we must be thoughtful about how we welcome AI as reader into our lives *Sick Schools* David V. Anderson,2020-01-10 Who s afraid of for profit education Those who work in non profit or government owned and operated schools Many parents and other stakeholders have been made fearful by this education establishment What s more important to humans nutrition or education Nutrition is more important because it is the prerequisite for other human activities including education What organizations provide food and who pays for the food Food is provided by for profit farmers for profit processors for profit wholesalers and for profit retailers Most food is purchased with the consumers own money but a significant amount is purchased by low income individuals using food stamps Why can t education be provided similarly using education stamps We trust for profit enterprises to provide our food Why can t we trust for profit enterprises to provide K 12 education Fearmongers have frightened us and made us into gullible compliant socialists who despise commercial activities in education Go to the supermarket and ponder its marvelous array of foods and then contemplate how a for profit K 12 education sector would please and amaze its customers **Tribunal Secretaries in International Arbitration** J.
