How To Choose Ai Podcast Editor Ideas In The United States:

The End of the End of History Alex Hochuli, George Hoare, 2021-06-25 It's been a long time since a text was so useful in helping me think through our present moment and my role within it. The End of The End of History is a clear, powerful, and panoramic analysis of our world at the dawn of the 2020s. Vincent Bevins, author of *The Jakarta Method*, The End of History is over. The idea that Western liberal democracy was the final form of human government has been exposed as bluster. The old order is crumbling before our eyes. Angry anti-politics have arisen to threaten political establishments across the world. Elites have fallen into hysteria, blaming voters, populism, Putin, Facebook, anyone but themselves. They are suffering from Neoliberal Order Breakdown Syndrome. Emerging from four years of interviews and debates on the popular global politics podcast *Aufhebung*, Bunga The End of the End of History examines how the political consequences of the 2008 financial crisis have come home to roost. If Trump and Brexit shattered the liberal democratic consensus in 2016, then the global pandemic of 2020 put a final end to the End of History. Politics is back, but it's stranger than ever.

It compiles insights and recommendations from 28 global experts who have put ideas into practice. Each chapter addresses integration of sustainability topics into existing subject areas and offers ideas for adding new courses or concepts to ground business in the context of the global socio-environmental community. The book offers actionable ways that administrators and faculty can immediately begin transitioning their business curriculum to one that is socially and environmentally sustainable.

The Actual Jesus Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures. Through fiction and film, the connections are made with contemporary issues such as borders, asylum seekers, farmworker activism, colonialism, violence, misogyny, civil war, and nuclear proliferation, with a focus on the appearances of the actual Jesus in these worlds. The Jesus in this study is explored in particular connections with the stories of baptism, wilderness experience, ascension, and apocalypse. What is found is often confusing, challenging, surprising, and disturbing, like the Jesus of the gospels.
