Internet Memes and Copyright Law Brian Chun Lok Leung, 2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union's Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright's foundational principles Covering core copyright concepts such as authorship idea

expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law

**Boardroom Women** Lucas Morgan, AI, 2025-03-04 Boardroom Women is a guide for women seeking to excel in corporate leadership offering strategies to navigate executive boardrooms It addresses the underrepresentation of women highlighting that diverse perspectives lead to better decision making The book explores dynamics of power strategic leadership and the importance of networking providing actionable insights for women to gain influence The book analyzes case studies of successful female leaders extracting lessons applicable across industries It also delves into boardroom etiquette and corporate governance providing a progressive learning journey A key argument is that by understanding specific challenges and developing skills in strategic thinking and communication women can overcome barriers to achieve impactful leadership roles The book also emphasizes building strong professional relationships and mentorship Structured as a career guide and resource for business management Boardroom Women provides actionable advice and real world examples It progresses from introducing core concepts to exploring strategic skills and culminates in a practical guide to networking and self promotion This approach empowers readers to take concrete steps towards their leadership goals and promotes gender equality in corporate governance
