A Companion to Steven Spielberg Nigel Morris, 2017-02-15 *A Companion to Steven Spielberg* provides an authoritative collection of essays exploring the achievements and legacy of one of the most influential film directors of the modern era. Offers comprehensive coverage of Spielberg's directorial output from early works including *Duel*, *The Sugarland Express* and *Jaws* to recent films. Explores Spielberg's contribution to the development of visual effects and computer games as well as the critical and popular reception of his films. Topics include in-depth analyses of Spielberg's themes, style and filming techniques; commercial and cultural significance of the Spielberg brand and his parallel career as a producer and collaborative projects with artists and composers. Brings together an international team of renowned scholars and emergent voices balancing multiple perspectives and critical approaches. Creates a timely and illuminating resource which acknowledges the ambiguity and complexity of Spielberg's work and reflects its increasing importance to film scholarship. **Engineering**
