Southern Florist and Nurseryman, 1923 *Country Guide and Nor'west Farmer*, 1911 *Blogosphere* Michael Keren, 2006-09-15 Examining the web logs or blogs of individuals from a variety of continents and cultures this book

highlights the nature of blogosphere the virtual public arena of the early 21st century which alters the traditional world of media and politics It characterizes this new arena by the unique combination of a fresh voice of emancipation and a deep sense of melancholy and isolationism This journey through blogosphere highlights major forces operating in today s politics apathy toward political affairs resistance to globalization a quest for redemption through religious fundamentalism and terrorism Michael Keren compares bloggers to terrorists arguing that while the methods advocated by the two groups are obviously very different they both represent a similar trend one of diversion by respected but disenchanted citizens from the norms of civil society to a fantasy world in which the excessive use of words_or bombs_would make everybody listen
