The book opens with a primer on the fundamentals of fintech, charting its evolution and contextualizing its rise alongside the digital milestones of our times. Readers are taken from the nascent stages of online finance to the current era where mobile and social media are not just platforms but catalysts for financial innovation. Delving into the fintech spectrum, the book enumerates and elucidates the main categories of fintech products, including transformative payment solutions, alternative lending models, the burgeoning sectors of insurtech and blockchain, and the expanding universe of cryptocurrencies. With a global lens, Fintech Marketing From Start to Now provides a panoramic survey of fintech's expansion across continents, dissecting the factors that have spurred or stifled growth. The marketing mix gets a digital overhaul as readers learn how to apply the timeless 4P's (Product, Price, Place, Promotion) to a fintech context. This is complemented by tactical insights into leveraging digital platforms, optimizing for search engines, engaging through social media, and employing content marketing to tell compelling financial narratives. The book doesn't just teach but shows, through a series of case studies, drawing lessons from successful campaigns and flagging pitfalls to avoid.
