Character Is Destiny:

Character Is Destiny John McCain, Mark Salter, 2017-10-10 NEW YORK TIMES BESTSELLER Senator John McCain tells the stories of celebrated historical figures and lesser known heroes whose values exemplify the best of the human spirit. He illustrates these qualities with moving stories of triumph against the odds, hope in adversity and sacrifices for a cause greater than self interest. Among the heroes of exemplary character we meet are Pat Tillman whose patriotism obliged him to leave the riches and celebrity of the NFL for a soldier's life in defense of his country, Winston Churchill who in a renowned eighteen word remark counseled schoolboys to never give up, the Catholic priest in Auschwitz who offered to take a condemned man's place, a nun formerly a comfortable Beverly Hills housewife who works with prisoners in Mexico's worst jails, George Washington whose wisdom and hard earned self control helped him survive the chaos of war. Character Is Destiny is McCain's moving and eloquent tribute to men and women who have lived truthfully and whose stories will stir the hearts of young and old alike and help prepare us for the hard work of choosing our own destinies. Praise for Character Is Destiny: An eclectic collection of heroes John McCain will be remembered in a volume like this some day. The Washington Post Book World: Uplifting, inspiring. The lessons of these people's lives are as relevant to adults as to children. Minneapolis Star Tribune: McCain can surprise you and Character Is Destiny surprises in the diversity of its cast. Houston Chronicle: McCain has made a declaration of values that liberals can embrace as readily as conservatives. Publishers Weekly starred review. Character Is Destiny Pat Hews, 2005 Character is Destiny explores the pains of growing up and loss, the nature of faith and the horror and pity of war. Set between 1899 and 1988 against backdrops as diverse as Constantinople, Beirut and Brighton, it recounts the turbulent life of Dick Cooper, the author's father. Dick is both hero and anti-hero, rebellious, sensitive, naive, feisty and compassionate, with a real sympathy for others. We are introduced to Lucy Dick's beautiful Moroccan nursemaid who becomes a substitute mother figure and guardian angel, Arthur, his increasingly callous and embittered father, Maresca, the unscrupulous Legionnaire, the prostitute Laure whom he takes to the opera instead of to bed, and the shy but witty Doris who becomes his wife. **Character is Destiny** Russell W. Gough, 2020-01-21 Russ Gough has accomplished something very rare. A college philosopher has written a book in real English for real people on the most important subject of all: character. I congratulate him. This is the proverbial required reading book for high school and college students and their parents; in other words, for everyone. DENNIS PRAGER, radio talk show host and author of Think a Second Time. An inescapable truth lies at the heart of this simple yet profound book: The quality of our lives is not determined by the happenstance of genetics or by the influence of environment; it is not measured in material possessions or in the trappings of youth; it is not dependent on personality or social acclaim. On the contrary, the intrinsic value of the lives we lead reflects the strength of a single trait: our personal character. Character is Destiny, a sort of self-help guide for the soul, shows how we can lead richer lives simply by being better people. Russell W. Gough, a nationally prominent writer and speaker, describes the steps to personal growth from

examining our lives to taking responsibility for our actions from discarding selfishness to embracing the greater good from becoming a better role model for our loved ones to finding the courage to do the right thing naturally and consistently By cultivating the habits of virtue we will strengthen not only ourselves but more important our families and our world This book shows how to overcome the most formidable obstacle to an ethical life ourselves Each and every day we are faced with scores of choices that in subtle yet discernible ways can either enrich or impoverish our personal character The choices we make and the manner in which we make them illuminate the paths our lives will take Character is Destiny can be our compass

RUSSELL W GOUGH is a professor of ethics and philosophy at Pepperdine University He had lectured across the country and was a chairman for the annual White House Conference on Character Building His articles on ethics and character have appeared in the Washington Post Los Angeles Times USA Today and elsewhere In addition he is the author of the book Character is Everything Promoting Ethical Excellence in Sports
