Chardonnay Photographs From Around The World:

Chardonnay ,1999 Continuing in the tradition of Cabernet Chardonnay offers a unique approach to wine connoisseurship it explores the individual grape varieties themselves Chardonnay presents a lush detailed portrait of this most popular of all grape varieties Award winning photographer Charles O Rear takes his camera to the most picturesque Chardonnay growing regions of the world and documents their people and unique landscapes The story of Chardonnay unfolds in an absorbing photographic essay from dew covered grapes hanging on the vine to the ultimate moment when the winemaker pours the first drop of delicious pale gold wine into the glass Ranging from the verdant rolling hills of California s Napa Valley to the illustrious chateaus of Burgundy this book captures the poetry and history of Chardonnay the world s favorite white wine **Wine Enthusiast** ,2008 **Decanter** ,2007 Cumulated Index to the Books ,1999

Newsweek Raymond Moley,Samuel Thurston Williamson,Malcolm Muir,Rex Smith,Joseph Becker Phillips,2007 The Wine Spectator ,2000-04 **A Perfect Glass of Wine** Brian St. Pierre,2014-03-18 A down to earth entertaining approach to the art of drinking wine full of suggestions and advice from the acclaimed wine writer Many people see the enjoyment of wine as an intimidating and complicated matter requiring a mastery of arcane rules and rituals In fact there s no more to it than putting each wine to the ultimate test Does it taste good Wine writer Brian St Pierre s book begins by introducing the basic flavors of the several grape varieties used in making wines around the world Once those are understood all the rest flows smoothly what distinguishes the colors and types how to match wine with food how to store and serve it and even how much to spend on a bottle St Pierre s sensible approach combined with stunning photographs and elegant maps of the world s great wine growing regions make this the perfect no nonsense guide or lovely gift for anyone who wants to learn to understand appreciate and above all fully enjoy the fruit of the vine A more accessible and less daunting introduction The lavish color photographs by San Francisco photographer Deborah Jones are probably more beautiful than useful but the writing is reassuringly free of jargon and will probably encourage the timid to approach some wines such as Italian and Rh ne varieties that they may have been unsure about San Jose Mercury News The only difficulty with the book may be where to keep it it s informative enough to use in the kitchen entertaining enough to keep by your bedside and attractive enough to display on your coffee table Appelation **The Cumulative Book Index** ,1999 American Book Publishing Record ,1999 **The New York Times Index** ,2006 **Report on Business Magazine** ,1999 *The Australian & New Zealand Grapegrower & Winemaker* ,2003 **Vineyard & Winery Management** ,2000 **Wine International** ,2005-07 *The Friends of Wine* ,1989 *The Australian & New Zealand Wine Industry Journal* ,1993 1000 Great Everyday Wines DK,2011-09-19 We live in a time when it is possible to enjoy excellent wine without spending a fortune Whatever your preferred style there is superb value to be found if you know what to look for This new guide to the best everyday wines tells

you everything you need to know for buying and enjoying wine at an affordable price meaning you need never overspend on an average bottle again When we say everyday wines we are talking about wines from the great wineries of the world that cost much less than those properties flagship wines Wines that a person of above average income could conceivably afford to drink two to three times per week These should be wines with personality definitely more sophisticated and authentic than say Two Buck Chuck or a generic Merlot from Languedoc They should show regional characters be labeled perhaps Haut Medoc and not Bordeaux Monterrey County and not California Barossa Valley rather than general Southeast Australia etc First and foremost this book contains lots and lots of recommendations A new generation of wine writers from around the world have looked in detail at the regions they know best and between them have picked out over a thousand superb yet affordable wines in every style For most entries a bottle or label image appears alongside the text to make it quick and easy to spot these recommended wines on a crowded liquor store or supermarket shelf Beyond these listings of wines and producers is a wealth of information to expand your knowledge and understanding of the world of wine A series of feature spreads looks at the most significant varietals explaining their particular characteristics detailing where the best Old and New World examples come from and suggesting foods they work well with A further series of features focuses on the enjoyment of wine dispensing practical advice on how to get the most from the experience subjects include hosting a wine tasting storing wine and navigating the wine list in a restaurant Compiled with as much care and attention to detail as any book on fine wine 1 000 Great Everyday Wines is the only choice for the budding wine enthusiast who cares about getting great value for money
