saved me It s the first time that I ever knocked a bull down He got to his feet swiftly beside me bellowed and took the fence
He was a fat well fed bull with a big round soft side on him I never knew that a bull was so mellow My feet sank deep and he
gave way and I hit him again with another part of my person I didn t mean it and felt for him although it is likely that his
feelings needed no further help from me Of course I bounded off him at last and the earth hit me a hard upper cut but the
