

... SECOND EDITION ...

Trajectories from the Old Testament to Luke-Acts

ROGER STRONSTAD

FOREWORD BY MARK ALLAN POWELL

Charismatic Theology Of St Luke

Roger Stronstad

Charismatic Theology Of St Luke:

The Charismatic Theology of St. Luke Roger Stronstad,1984 The meaning of this book is that the walls must come down between Pentecostals and evangelicals If canonical Luke has a charismatic theology as Stronstad proves we cannot consider Pentecostalism to be a kind of aberration born of experiential excesses buta 20th century revival of New Testament theology and religion It has not only restored joy and power to the church but a clearer reading of the Bible as well **The Charismatic Theology of St. Luke** Roger Stronstad,2012-10-01 Winner of the 2013 Book Award of Excellence The Foundation for Pentecostal Scholarship What is the meaning of the Holy Spirit's activity in Luke Acts and what are its implications for today Roger Stronstad offers a cogent and thought provoking study of Luke as a charismatic theologian whose understanding of the Spirit was shaped wholly by his understanding of Jesus and the nature of the early church Stronstad locates Luke's pneumatology in the historical background of Judaism and views Luke as an independent theologian who makes a unique contribution to the pneumatology of the New Testament This work challenges traditional Protestants to reexamine the impact of Pentecost and explores the Spirit's role in equipping God's people for the unfinished task of mission The second edition has been revised and updated throughout and includes a new foreword by Mark Allan Powell

Charismatic Theology of St. Luke Roger Stronstad, 2006-01 The Prophethood of All Believers Roger Stronstad, 1999-01-01 For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke s theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today s world Dismantling the Dualisms for American Pentecostal Women in Ministry Lisa Stephenson, 2011-10-06 The pneumatological magna carta of Acts 2 has never translated into a fully liberating praxis for Pentecostal women in ministry Scholars have given this problem limited attention but their works do not adopt the perspective of pneumatology or engage feminist theology In neglecting pneumatology Pentecostals have ignored a methodological approach and a dominant orienting motif that is fundamental to their spirituality In neglecting feminist theology they proffer an incomplete solution that addresses anthropological paradigms to the exclusion of ecclesiological ones After analyzing the historical and theological factors resulting in the present situation among American Pentecostal women in ministry this book proposes a Feminist Pneumatological anthropology and ecclesiology that address the problematic dualisms that have perpetuated Pentecostal women s ecclesial restrictions The Holy Spirit in Mission Gary

Tyra, 2011-10-19 The church has been called to participate in God's mission in the world But without a robust biblical sense of the Spirit's action how can we be sure we're fulfilling that call In this innovative work of missional pneumatology Gary Tyra synthesizes charismatic and evangelical perspectives to flesh out the nature and purpose of the church's preaching The Evolution of a Pentecostal Scholar Martin Mittelstadt, 2024-10-14 This collection of proclamation and service previously published essays reveals a personal journey Two decades ago I could not have anticipated the twenty first century theological and methodological shifts in biblical studies In these essays I encourage readers to observe my evolution by way of adventures in Luke Acts In so doing I invite readers to reimagine a story not simply about the past but rich with The Spirit and Suffering in Luke-Acts Martin W. Mittelstadt, 2004-10-12 This work illuminates the tension possibilities between divine empowering and the neglected element of the work of the Spirit in contexts of opposition This lacuna not addressed in previous Pentecostal scholarship is at the heart of Mittelstadt's exegesis Thus Jesus not only lives and ministers in the power of the Holy Spirit but also experiences opposition and persecution as a man of the Spirit Further the Lukan Jesus not only transfers the Spirit to his disciples but also anticipates a similar fate for his followers Finally Luke forecasts that this divine enablement of the Spirit also available for future witnesses brings with it a similar anticipation of the same rejection and opposition as was experienced by Jesus and the disciples While Pentecostals owe a debt of gratitude for the pioneering work of Pentecostal scholars this book furthers their efforts by exploring the implications of Spirit led witness in Reading St. Luke's Text and Theology: Pentecostal Voices Riku P. Tuppurainen, 2019-10-16 Lukan narrative Luke Acts takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative s persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future

Baptized with the Holy Ghost Grant Ralston, Edward Ralston, 2020-02-26 Baptized with the Holy Ghost has been designed to briefly explain the Pentecostal perspective on the baptism of the Holy Ghost Pentecostals are dedicated to a belief in a post conversion work of the Spirit a belief that is convincingly articulated in this important book Pentecostals also maintain that speaking in tongues is the initial physical evidence of this glorious experience While many might shy away from

the biblical teaching on speaking with tongues we gladly affirm its existence and agree that it is the initial indicator that a believer has received the Holy Ghost although it is not the only sign There are many reasons why it is advantageous for Christians to be filled with the Holy Ghost that are presented God has established certain conditions that must be met in order for the gift of the Holy Ghost to be received We endeavor to answer questions and issues closely connected to this topic such as if tongues ceased and whether every believer speaks in tongues Baptized with the Holy Ghost will not only inform you about this precious experience available to every child of God but it will also create within you a desire to enjoy for yourself the baptism of the Holy Ghost The Charismatic Movement Charles Edwin Jones, 1995 Salvation, the Holy Spirit, and Christian living John Rodman Williams, 1988 The Doctrine of the Holy Spirit: Subject analysis and indexes Esther Dech Schandorff,1995 Spirit and Kingdom in the Writings of Luke and Paul Youngmo Cho, 2005 The paper in this volume are organized in three parts scriptural contextual and theological The central question being addressed is how do Christians living in contexts where Islam is a majority or minority religion experience express or think of the Cross This is therefore an exercise in listening As the contexts from where these engagements arise are varied the papers in drawing scriptural contextual and theological reflections offer a cross section of Christian thinking about Jesus The Narrative Function of the Holy Spirit as a Character in Luke-Acts William Henry Shepherd, 1994 and the Cross

Spirit Scripture and Theology Roger Stronstad, 2018-10-05 This new edition Spirit Scripture and Theology originally published by APTS Press in 1995 is presented here again with a new chapter on prophecy Thanks to digital technology that was not available then this valuable book can now be made available to a much broader audience This book develops in greater measure the ideas that Roger set forth in his well received book The Charismatic Theology of St Luke 1984 Those ideas include Luke s theological purpose the theological significance of biblical narrative and the vocational nature of the Spirit s empowering in the Lukan corpus He also discusses the unity and diversity within the New Testament especially the ways in which the Lukan Johannine and Pauline corpuses contribute to a holistic theology of the Spirit Luke s distinctive pnuematology on service is also featured in comparison the pnuematologies of John and Paul Finally he concludes this new edition with a new chapter on the Rebirth of Prophecy This book is yet another reason why Roger Stronstad must rightly be regarded one of the most influencal Pentecostal scholars of our generation

Missiology ,2007 An international review

Pentecostalism in Context Wonsuk Ma, Robert P. Menzies, 1997 **Toward an Hispanic American Pentecostal Social Ethic, with Special Reference to North Eastern United States** Eldin Villafañe, 1989 **Evangelical Dictionary of World Missions** A. Scott Moreau, 2000 The first comprehensive one volume reference work to consider the history of world missions and contemporary study of the subject from an evangelical perspective
