wonder until 1869 when John Wesley Powell traveled the full length of the Grand Canyon by boat He returned each year in 1873 he introduced it to artist Thomas Moran whose brazenly colored grand scale portrayals of the canyon stunned the public In 1908 Moran s work prompted President Theodore Roosevelt to declare the Grand Canyon a national monument by 1919 Congress had established Grand Canyon National Park As the Santa Fe Railway opened up the Southwest in 1892 the company began hiring artists to paint scenes of the Grand Canyon including Moran W R Leigh and Louis Akin Today artists are still capturing the splendor of the Grand Canyon Ed Mell Clark Hulings Wilson Hurley Frank Mason P A Nisbet Bruce Aiken and Earl Carpenter are among the contemporary artists represented in *The Majesty of the Grand Canyon* **Famous Last Words** Alan Bisbort, 2001 Whether Inspiring Incomprehensible insightful bleak or absurd last words can be spoken by the living as well as the dying Among the dying last words are truly final as was the case with Dylan Thomas who uttered I ve just had eighteen straight whiskeys I think that s the record Famous Last Words records the parting shots of dozens of folks no longer with us from those dead for political reasons to those who themselves decided to end it all And it records the words of those who went on with their lives after uttering a memorable farewell but whose reputation was made by their words often to their lasting frustration such as the infamous Richard Milhous Nixon You won t have me to kick around anymore because gentlemen this is my last press conference Famous Last Words also preserves the last words of those inhabiting the world of fiction whether in a book on the stage in a movie or on TV Blanche DuBois s I have always depended on the kindness

of strangers ranks right alongside Charles Foster Kane's Rosebud and Sidney Carton's It is a far far better thing that I do than I have ever done The mutterings of the imagined are always floating around in our culture's consciousness kicking lustily Author Alan Bisbort consulted unimpeachable sources and original texts in compiling this compendium of 140 choice good byes But not only the farewells capture our attention Bisbort's concise witty and informative text adds revealing context to the quoted words Famous Last Words is fascinating illuminating and immensely rewarding Reading through the pages may reveal some unifying impulse behind all those bye byes if so you have truly stumbled upon the meaning of life *Comic Art of the United States Through 2000, Animation and Cartoons* John Lent, 2005 Provides information on U S and Canadian comic art animation caricature and gag political illustrative and magazine cartoons Provides citations of books chapters articles and fugitive materials gleaned from a variety of sources worldwide including many periodicals and journals **The British National Bibliography** Arthur James Wells, 2002 International Journal of Comic Art, 2002 The Publishers Weekly, 1999 **American Book Publishing Record**, 1999 American Printmakers of the Twentieth Century Donald E.
