Pitts,1999

This work covers Bronson's entire output in film and on television and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson has the strongest face in the business and he is also one of its best actors. Pretty high praise for an actor who though loved by fans worldwide has been consistently underestimated by critics. Bronson's career has spanned five decades from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza* and *Have Gun Will Travel* as well as the telemovie *A Family of Cops* 1995 and its two sequels. He will long be remembered for his role as urban vigilante Paul Kersey in the *Death Wish* films. Bronson is one of the most enigmatic and also most recognizable of all film stars.

Vigilantes Kevin Grant, 2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson's character in *Death Wish* and its sequels. But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers. This book recounts the varied representations of such characters in films like *The Birth of a Nation* which celebrated the violence of the Ku Klux Klan and *Taxi Driver*, *Falling Down* and *You Were Never Really Here* in which the vigilante impulse was symptomatic of mental instability. Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears.
