identified with his sympathies for white supremacy eugenics and the Nazi regime in Germany Underexplored amid all this is Lindbergh's spiritual life What beliefs drove the contradictory impulses of this twentieth century icon An apostle of technological progress who encountered God in the wildernesses he sought to protect an anti-Semitic opponent of US intervention in World War II who had a Jewish scripture inscribed on his gravestone and a critic of Christianity who admired Christ Lindbergh defies conventional categories But spirituality undoubtedly mattered to him a great deal Influenced by his wife Anne Morrow Lindbergh a self-described lapsed Presbyterian who longed to live in grace and friends like Alexis Carrel a Nobel Prize-winning surgeon eugenicist and Catholic mystic and Jim Newton an evangelical businessman he spent much of his adult life reflecting on mortality divinity and metaphysics In this short biography Christopher Gehrke represents Lindbergh as he was neither an adherent nor an atheist a historical case study of an increasingly familiar contemporary phenomenon the spiritual but not religious For all his earnest curiosity Lindbergh remained unwilling throughout his life to submit to any spiritual authority beyond himself and ultimately rejected the ordering influence of church tradition scripture or creed In the end the man who flew solo across the Atlantic insisted on charting his own spiritual path drawing on multiple sources in such a way that satisfied his spiritual hunger but left some of his cruelest convictions unchallenged *American Legends* Charles River Charles River Editors, 2018-03-02 Includes pictures of Lindbergh and important people places and events in your life Includes descriptions of Lindbergh's historic flight from his own words Includes a Bibliography for further reading If one took no chances one would not fly at all Charles Lindbergh A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors' American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In many ways Charles Lindbergh represented the best and worst of America during the first half of the 20th century Lindbergh became famous for being an aviation pioneer whose solo flight across the Atlantic captured the imagination of an entire world yet he was an isolationist who wanted to keep American freedoms safe for Americans and no one else Lindbergh was the quintessential family man yet he fathered illegitimate children and suffered an unspeakable tragedy that became known as The Crime of the Century Lindbergh embodied some of his era's greatest virtues and harbored some of its worst prejudices Lindbergh was a 25-year-old U.S. Air Mail pilot who was probably best known for two crashes before shooting to fame with his non-stop flight across the Atlantic from New York City to Paris on May 20-21, 1927 Lindbergh was Time Magazine's first Man of the Year in 1927 and he used his newfound fame to promote the development of commercial flight and become a spokesman and symbol for advances in aviation Tragically Lindbergh was the subject of front-page headlines in 1932 when his infant son Charles Jr. was kidnapped and murdered in the Crime of the Century After going into voluntary exile in Europe Lindbergh found himself embroiled in scandals as he toured German and Luftwaffe aviation systems and took isolationist stances at times making comments that were tinged with anti

Semitism and in favor of eugenics Nevertheless after Pearl Harbor Lindbergh was rejected from serving in the armed forces likely because President Roosevelt thought he was a Nazi sympathizer But Lindbergh worked his way through administrative and technical positions to give himself the opportunity to fly about 50 combat missions in the Pacific impressing his colleagues with his flying abilities and technical know how After World War II as Lindbergh began to fade from the spotlight he took up a number of causes writing books and supporting environmental initiatives The controversies began to fade as well and when he died in 1974 he was remembered fondly for the Spirit of St Louis and sympathetically for the Crime of the Century American Legends The Life of Charles Lindbergh chronicles the amazing life and career of Lindbergh his greatest highs and most notorious lows and everything inbetween Along with pictures of important people places and events in his life you will learn about Lucky Lindy like you never have before in no time at all *Charles Lindbergh* David R.
