Charles Manson:

Charles Manson: Conversations with a Killer Edward George, Dary Matera, 2020-04-17 This is the gripping story of the real Charles Manson as told by his long time prison administrator counselor unofficial press agent and confidant Ed George Throughout my life people have asked me about Manson Does he have hypnotic powers Does he have a diabolical charisma Is he crazy My response is that for some people the answer to all of the above is yes except for the last question EDWARD GEORGE Charles Manson was perhaps the most infamous criminal of the twentieth century Convicted for orchestrating the shocking Tate LaBianca murders in 1969 and for two other killings there has been much written about him But not many people knew him as well as Edward George who over years of conversations with Manson as his prison administrator counselor unofficial press agent and confidant gained deep insight into Manson s mind set In this updated edition of George s riveting account he illuminates the many sides of Manson charismatic cult leader master manipulator calculated showman sly trickster and more George and his coauthor Dary Matera begin by detailing the troubling events of Manson s youth the historic 1969 murders and the subsequent trial that ended an era They then pull back the curtain on the intense reality of Manson s turbulent life behind bars and the events that have transpired since the initial publication of this book in 1999 including Manson s death in 2017
