the hills the he would have to win access to the precious metals the hard way This is the reason of Fort Huachuca s existence One of the most savage contests of arms between dedicated and able frontier army soldiers and implacable Indian braves This confrontation culminated in the inevitable reduction of the primitive by the technologically advanced This was not brought on so much by the introduction of equipment and machines however as by persistence and the sheer weight of numbers Fort Huachuca saw it all It began in a primitive setting from cavalry charge and marathon infantrymen to being equipped with the most modern equipment of real bugles and crackling loud speakers That shows how long the ugly battle continued
