different sort of male protagonist a character type who could put his humanity and uncertainty aside to act as a more ruthless hero than his predecessors. Paralleling real concerns over crime and an increasing disrespect for life and property the public fell in love with the new avenging angel image and with Charles Bronson the actor born at the perfect time in which to symbolize it in the grittier new films. By the time Bronson emerged from a series of miniscule uncredited roles in the mid 1950s the singing cowboy was two generations gone save vestiges in television serials such as Roy Rogers and Dale Evans. The dancing romantic lead of the Gene Kelly and Fred Astaire variety would soon exhaust itself as a genre in an age increasingly bent on realism and a more severe form of escape. Bronson possessed none of the gifts common to the heroes of the previous era. Light heartedness did not become him and by all accounts he was neither a singer nor dancer. He could not offer the heft of Gary Cooper or John Wayne although he shared a reserved quality with the former. He did not possess the pristine good looks of Gregory Peck. In fact one good natured description making the rounds in Bronson's heyday likened him to a Clark Gable who has been left out in the sun too long. To accompany the rough hewn appearance of Bronson's new class of hero the typical script gave his remarkably enduring persona little to say in terms of dialogue that would reveal his inner thoughts. With minimal text even those he attempts to help are unsure of his intentions and few clues are offered by which the viewer can come to know his mind. As the grotesqueness of his characters violent acts increased so did the heinous deeds of the criminals he fought upping the ante to an eager public in search of a simple cure for its social ills. In a career of almost eighty films and a total body of work totaling 160 appearances including television Bronson pushed the envelope of what graphic action the studios were willing to offer what the censors would accept and what the sensibilities of moviegoers were able to endure more than anyone in his era. Critics almost uniformly eviscerated most of these films as dramatic eyesores and invariably equated Bronson's level of talent to their distasteful contents and ill fortunes at the box office. Only in recent years as the genre has grown even more extreme has Bronson's work been reviewed in a more kindly light. Critics aside however once established in the U S after a series of triumphs in Europe Bronson never lost the adoration of either the international or domestic movie going public who he noted are the ones buying the tickets and are therefore the only people of importance.

American Legends: The Life of Charles Bronson examines the life and career of the iconic actor **Charles Bronson**.
2008-09-01 Charlie Bronson has spent 28 of the last 30 years in solitary confinement. He has been locked in dungeons in iron boxes concreted into the middle of cells and famously in a cage. When he is unlocked up to 12 prison officers sometimes in riot gear and with dogs are standing by. Yet this is a man of great warmth and humour who has never killed anyone and has often dealt with his gruelling life with humour. During a siege in 1993 he demanded an inflatable doll and a cup of tea. Now his story is being turned into a Hollywood film. Now in this amazing new edition of his best selling autobiography Charlie reveals the truth about his extraordinary life behind bars.
