that begins in 1742 and flows with the Danetree family from France to Louisiana An old trunk holds more questions than answers and mysterious strangers attach themselves to her home and heart Their truths lie in each other s hearts and in the blood they share Juliette finds escape is not an option and her law background doesn t include lifting curses She ll need more than legal skills to maneuver through the misdeeds of the past      **The Forgotten Legend** Shawn Henshall,2020-11-02 For generations Canadian artists have made their mark on the world with countless individuals rising to fame on stage and screen and as frontrunners in the various arts inspiring and influencing all who come after them One of these legends has been largely forgotten though his contribution to the arts have inspired the likes of Monty Python and Kids in the Hall and brought hope and laughter to troops serving their countries at home and overseas all the while pushing boundaries as a prolific artist illustrator author and actor This book tells the story of forgotten legend John Wilson Jack McLaren from his birth in Scotland to his early years in Canada becoming a soldier in WWI entertaining his comrades in arms on the stages of Europe his business career after the war his deep involvement with the Group of Seven his membership in Toronto s famed Arts Letters Club and his eventual retirement to the community of Benmiller near Goderich Ontario where he passed away in 1988 His is a story that deserves to be told and remembered      *Art Et Architecture Au Canada* Loren Ruth Lerner,Mary F.
