an elderly widow Mrs Gummidge Little Em ly is somewhat spoiled by her fond foster father and David is in love with her On his return David is given good reason to dislike his stepfather and has similar feelings for Murdstone s sister Jane who moves into the house soon afterwards *Charles Dickens, David Copperfield* ,1850 **David Copperfield** Charles Dickens,1991 Charles Dickens s classic story of orphan David Copperfield growing up in nineteenth century England **The Personal History of David Copperfield** Charles Dickens,1880 Charles Dickens, David Copperfield Philip Collins,1977 *David Copperfield by Charles Dickens* Charles Dickens,2021-06-07 David Copperfield is the eighth novel by Charles Dickens It was first published as a book in 1850 Many elements of the novel follow events in Dickens own life and it is probably the most autobiographical of his novels In the preface to the 1867 edition Dickens wrote like many fond parents I have in my heart of hearts a favourite child And his name is David Copperfield The story traces the life of David Copperfield from childhood to maturity David spends his early years in relative happiness with his loving but frail mother and their kindly housekeeper Peggotty When he is seven years old his mother marries Edward Murdstone David is given good reason to dislike his stepfather and has similar feelings for Murdstone s sister Jane who moves into the house soon afterwards Murdstone attempts to thrash David for falling behind in his studies David bites him and soon afterwards is sent away to a boarding school Salem House with a ruthless headmaster Mr Creakle The novel has been adapted into several plays and for the screen at least twelve times *David Copperfield* Charles Dickens,2014-04-08 I was born with a caul which was advertised for sale in the newspapers at the low price of fifteen guineas Whether sea going people were short of money about that time or were short of faith and preferred cork jackets I don t know all I know is that there was but one solitary bidding and that was from an attorney connected with the bill broking business who offered two pounds in cash and the balance in sherry but declined to be guaranteed from drowning on any higher bargain Consequently the advertisement was withdrawn at a dead loss for as to sherry my poor dear mother s own sherry was in the market then and ten years afterwards the caul was put up in a raffle down in our part of the country to fifty members at half a crown a head the winner to spend five shillings I was present myself and I remember to have felt quite uncomfortable and confused at a part of myself being disposed of in that way The caul was won I recollect by an old lady with a hand basket who very reluctantly produced from it the stipulated five shillings all in halfpence and twopence halfpenny short as it took an immense time and a great waste of arithmetic to endeavour without any effect to prove to her It is a fact which will be long remembered as remarkable down there that she was never drowned but died triumphantly in bed at ninety two I have understood that it was to the last her proudest boast that she never had been on the water in her life except upon a bridge and that over her tea to which she was extremely partial she to the last expressed her indignation at the impiety of mariners and others who had the presumption to go meandering about the world It was in vain to represent to her that some conveniences tea perhaps included resulted from this objectionable practice She always returned with greater emphasis and with an instinctive knowledge of the strength of her objection Let us

have no meandering Not to meander myself at present I will go back to my birth **David Copperfield (Annotated)**

Charles Dickens,2016-04-10 This is an awesome book It is a book for everyone David Copperfield is the common name of the eighth novel by Charles Dickens first published as a novel in 1850 Dickens with his amazing power of narration takes us on David s journey with him and not for once did I think of getting off the ride The struggles and blows David undergoes have made me cry and just as well his happy moments have made me gleeful David Copperfield has crossed the limits of written literature and has created a screen where a posthumous boy s life has been portrayed His emotional attachment with his mother his nurse Peggotty and later his wife displays David s soft nature while his resolute nature is equally expressed as he hunts for his once best friend in his mission to save an innocent victim from the former s clutches David is a perfect image of a boy s and then a man s personality and hence it is quite easy to fall for him **The Works of Charles Dickens**
