Charles Johnsons Spiritual Imagination:

Charles Johnson's Spiritual Imagination Jonathan Little,1997 In this first book length study of Charles Johnson s work Jonathan Little offers an engaging account of the artistic growth of one of the most important contemporary African American writers From his beginnings as a political cartoonist through his receipt of the National Book Award for Middle Passage Johnson s imagination has become increasingly spiritual Little draws upon a wide array of sources including short stories interviews reviews articles and cartoons as he traces the brilliant achievement of this provocative artist who is very much at the height of his career Charles Johnson s Spiritual Imagination begins with an analysis of Johnson s political cartoons from the late sixties and early seventies when he was immersed in the Black Power Movement Little shows that in these early cartoons one can already see Johnson s comic genius and his quest for unconstrained artistic freedom even when dealing with the highly charged issues of racial politics By examining how Johnson incorporates the influences of phenomenology Zen Buddhism Taoism Hinduism and Romanticism into a strikingly original perspective on individual and social identity Little chronicles Johnson s development The book illuminates the progression of Johnson s aesthetics as he deals with the at times disturbing contrast between the hope offered by art and spirituality and the harsh realities of African American existence As he situates Johnson within the tradition of African American literature Little pairs each of his novels with a major precursor including novels by Richard Wright and Ralph Ellison and such far ranging sources as Hermann Hesse s Siddhartha and the Ten Oxherding Pictures These comparisons help to show Johnson s innovations within the African American literary tradition and include discussions of naturalism realism and modernism This book will appeal to anyone interested in African American literature spirituality aesthetics and the culture wars **African American Writers** Valerie Smith,2001 Contains biographical and critical essays on the work of important African American writers *The Greenwood Encyclopedia of African American Literature: I-N* Hans A.
