**Fitness and Wellness in Canada** Sarah J. Woodruff Atkinson, Carol K. Armbruster, Ellen M. Evans, Catherine M. Laughlin, 2019-12-23

With content targeted specifically toward higher education students in Canada

**Fitness and Wellness in Canada A Way of Life With Web Study Guide** presents evidence based physical and mental health guidance to point students toward healthy choices that will develop into healthy lifestyles

Authors Sarah J Woodruff Atkinson Carol K Armbruster and Ellen M Evans have more than 80 years of combined professional experience in health and wellness the majority of which has focused on the higher education population This enables them to present the material in a contemporary manner that is relatable and easily understood by students

Relevant information on topics such as cardiorespiratory exercise strength training stretching nutrition weight management stress management substance abuse and addiction and sexual health will start students on the path to developing a healthy mind and body which can lead to a better quality of life

Additionally because **Fitness and Wellness in Canada A Way of Life** emphasizes behaviour modification to develop desired habits students are armed with the tools they need to make healthy lifestyle changes for both the present and future

A web study guide offers more than 50 video clips and practical learning activities to provide real life context for the material

**Behaviour Check** sidebars help students integrate health and wellness concepts into their daily lives

**Now and Later** sidebars encourage students to consider how their actions today will affect them in the future

**The Functional Movement Training** section shows exercises to strengthen specific muscles and explains their importance for everyday activities

Infographics research based tables and figures illustrate and reinforce key concepts so they are easy to understand

Canada's Food Guide is included to assist students in making healthy nutritional choices. The companion web study guide offers students the unique opportunity to engage directly with the content and practice the exercises and strategies presented. Lab activities for each chapter will guide students in completing individual assessments, setting goals, and identifying the pros and cons of modifying their behaviour. Video clips of 48 exercises demonstrate proper exercise technique and additional learning activities and quizzes gauge student comprehension of the content. In addition, students will benefit from learning aids such as key terms, a glossary, and review questions for each chapter. Instructors will benefit from an abundance of online ancillaries, a presentation package, plus image bank, test package, chapter quizzes, and an instructor guide that includes chapter summaries, chapter objectives, class outlines, sample answers to the chapter review questions, and suggested class activities. The primary goal of *Fitness and Wellness in Canada: A Way of Life* is to provide evidence-based guidance to help students embrace living well. Students will learn how to make healthy choices and positive behaviour changes to lead healthier, happier, and more productive lives now and in the future.
