Chasing The Story God:

Chasing the Story God Mike McCardell, 2001 Some say Mike McCardell's feel good stories that cap the six o'clock evening news on BCTV are the best part of the program the only reason they watch the news One thing is certain over the years McCardell has earned the loyalty of hundreds of thousands of fans In this his first book he presents an intriguing and often hilarious behind the scenes look at the world of TV journalism and a glimpse into the mind and heart of the man who does the feel good features Born in 1944 in New York Mike McCardell first discovered his calling while waiting out school detentions and reading the Daily News I was fascinated by the stories of criminals with names like Two Finger Maloney and crime bosses who had more power than the mayor without having to worry about votes There was the story about an idiot who tried to sail a homemade raft across the East River just for the fun of it and a couple going on their honeymoon around the world on a Harley In fact there were endless stories about ordinary people whose lives would make you laugh or cry or scratch your head Those were the people I liked and I wondered what could be better than spending a lifetime with them So very simply I decided to be a reporter To pursue his dream McCardell found work in the mailroom of the Daily News and worked his way up the ranks to become a reporter Along the way he married and had two children got sent into Attica prison to report on the 1970 riot and occasionally got shot at while covering stories Eventually he tired of the violence that seemed to pervade New York and moved to BC to trade gun smoke for fresh air He was hired from afar by the Vancouver Sun in 1973 and began by covering the police beat out of police headquarters For the three years I worked at the Sun McCardell writes I never went back to the main office of the newspaper In 1976 he started work with BCTV During twenty five years and 7 000 stories McCardell has become one of BC's most beloved TV personalities Ever wonder where he gets those wacky story ideas How did that abandoned shoe become a star Get the whole story behind that famous footage of the well heeled litterbug and the getaway car and travel to Lonesome Lake where a family living an idyllic life turns out to be less simple and charming than expected and where McCardell and his cameraman get chased by a grizzly bear And journey with McCardell through his more serious stories such as the Abby Drover saga the nightlife along Skid Row in Vancouver his trip to the real Russian Siberia and his series on Riverview Psychiatric Hospital McCardell's frank sparkling style his eye for the human condition and his deft handling of an enormous range of material have made him one of BC's great TV personalities He has brought these same qualities to this book of anecdotes and memoirs which will have the reader alternately rolling on the floor with laughter paralyzed with gut wrenching fear and fighting back tears His ability to see the magic in the ordinary will keep you glued to the book till the very last page

His Story Stuart Hacking, 2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores

this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn't oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here *Chasing God* Angie

Smith,2014-01-01 Maybe you've never asked the question out loud but you've wondered You do the things that look good on paper read your Bible pray attend study groups and go to church on Sundays But you aren't convinced you really know Him Angie Smith understands because she had run circles around the same paths searching for Him frustrated at her lack of progress And she probably would have continued to do so had it not been for one realization that changed everything She wasn't following God she was trying to catch up with Him And without realizing it you may be as well It's a distinction that affects every aspect of our lives with Christ and it begins with learning where we've relied more on man's explanation of God than God Himself So many requirements so many rules and so much guilt where there is supposed to be freedom It's the reason you wonder if you've measured up and the nagging voice that tells you you're a failure as a Christian Three simple words changed everything for Angie and she believes they can do the same for you Stop chasing God **Chase Study.**

Jennie Allen,2012-11-05 The lessons in this study are simple yet deep and very interactive David's journey will challenge your view of God by offering Bible study stories and projects to dig into Scripture and deeply engage the mind and heart God has carved out a space in each of us that only He can fill **Grace Looks Amazing on You** Amy Seiffert,2020-04-07

What if today is the perfect time to notice God's grace in one another Women are so often weighed down by comparison anxiety and fear that the idea that grace could look amazing on them feels unbelievable But all around us are flashes of grace shining examples of God's love Amy Seiffert says it's the everyday moments that Jesus shines through making time for a friend even when your to do list is pages long apologizing to your neighbor when you don't want to admit you are wrong opening the Bible when your soul feels hollow and empty Making the choice to accept God's limitless love no matter what and reflecting it back to the world around you friend that's when His grace looks amazing on you A perfect gift to affirm and encourage any woman Grace Looks Amazing on You is a timeless Christian message packed with personal story and reflection Scripture and deep biblical truth This 100 day devotional will help you change your perspective so you can confidently radiate the grace of Christ **Chasing Francis** Ian Morgan Cron,2013-05-07
