Brunstetter, Sheila Callaghan, Thomas C. Dunn, 2008 One of Manhattan's most established play festivals the Samuel French Off Off Broadway Short Play Festival fosters the work of young writers giving them the exposure of publication and representation The festival resulting in this collection was held July 15th 20th 2008 at the Peter Jay Sharp Theatre on 42nd Street in New York City From the initial submission pool approximately 50 plays were chosen to be performed over a period of one week A panel of judges comprised of New York area theatre artists **Leaving Tangier** David Johnston, 2004 Includes Along For the Ride Kerrie and Karl both race for the same cab and agree to share Their subconscious selves ride along so the audience hears what they say to each other and what they are actually thinking throughout this charming comedy about love at first sight that just takes a while to blossom A Low Lying Fog Brotherly love is put to the test as Phil and Greg try to determine what really happened on a day that forever changed their lives This story of awful mistakes made by good people and the love that redeems such errors unfolds as the two men directly address the audience Blueberry Waltz One week after an accident in a Pennsylvania coal mine that trapped men underground a miner's wife is afraid to move on with life even though her husband was uninjured His playful even silly attempts fail to alleviate her obsessive terror When she says what she really thought during his ordeal her honesty strengthens their relationship As a favorite song plays on the radio they dance and know that they can face the future The Ferry A pick up line Are you from Staten Island turns metaphysical as a woman from Iowa tries to explain how the world works to an insulated Staten Island native As she speaks she reveals her prejudices while he though limited in perception and worldliness displays the ability to accept what he sees and meet others on equal footing The Ferry was commissioned by a benefit for families of busboys dishwashers and other non salaried restaurant workers in the World Trade Center Leaving Tangier Cooper an American expatriate poet has traveled from Tangier to a rural Southern town with the ashes of Oswin Everett Pickett a famous writer and notorious gay figure who had been living in northern Africa Pickett left specific instructions that there be no religious observance when his ashes were returned to America but his great niece and the local preacher are determined to give him a good Methodist funeral Pickett's great nephew a young man obsessed with the notorious man's works urges Cooper to tell him about his deceased relative In return Cooper suggests that the young man should come to Tangier with him Quick and Dirty A Subway Fantasy This steamy and provocative wake up call for daydreamers toys with a potential liaison on a subway platform There's an attractive woman and a good looking man Eyes meet The attraction is obvious but where does fantasy end and reality begin **Samuel French's Basic Catalogue of Plays** Samuel French, Inc, **Feet of Clay** David Caudle, 2005 All in Little Pieces Molly S

trying to sell a house to Mary but it soon becomes apparent that Mary is not there to buy The play becomes very engaging as the women talk and get to know each other It almost seems as if they re made for each other but the action twists and suddenly Molly realizes that Mary is perhaps not as stable as she seems and that in fact she s actually rather frightening The Casseroles of Far Rockaway Feet of Clay Two men sit out a rainy day in a remote mountain cabin while their wives shop in the town Vaughan has been a welcome benefactor to the down on his luck Clay since their recent meeting at a public pool But Vaughan s benevolence is motivated by something beyond his desire to help his fellow man and he just can t keep it a secret a moment longer Will Clay have the same desire If not will he at least have a price And if so can Vaughan afford to pay it To find out the answers be a fly or maybe a mosquito on the sweaty wall of that cabin and watch this Heidemann Award Finalist that Marta Barber of the Miami Herald called hilarious and well written The King and the Condemned Comedy ensues when a troop of actors refuse to perform their poorly written low budget production holding the audience captive When one audience member Daniel attempts to leave the actors force him onstage where he enters their world Here he must contend with a lustful princess a brutish guard an obnoxious clown and an egotistical king If he can defeat their characters he will go free but if he fails he will be trapped onstage with them forever My Wife s Coat Peter comes into the bedroom at his bon voyage party to get his wife s coat from the pile on the bed only to discover his mistress wearing it She wants him to stay with her but he s packing up his kids and wife and moving across country for his new promotion She asks him for one last request before she ll relinquish the coat not for sex but simply for him to lie on top of her He does so for a brief sad moment then takes the coat and leaves as she continues to lie on the pile of coats in despair The Theodore Roosevelt Rotunda The Theodore Roosevelt Rotunda Outside the Box Bo Wilson,2006 **Basic Catalogue of Plays and Musicals** Samuel French, Inc,2000 **The Last Cigarette** Steven Fechter,2000 A collection of short plays selected by New York theatre critics professionals and the editorial staff of Samuel French Inc as the most important plays of the Twenty Fourth Off Off Broadway Original Short Play Festival sponsored by Love Creek Productions *The British National Bibliography* Arthur James Wells,1991 **The Best Plays Theater Yearbook 2007-2008** Jeffrey Eric Jenkins,2009 Here in this 86th edition of The Best Plays Theater Yearbook are all of the many features that have long distinguished this indispensable reference work on the American theater What makes the series unique is its unequaled depth and breadth of information on the season under review and its record of the key achievements in theater over a multitude of earlier seasons detailed listings of all plays produced on and Off Broadway and hundreds Off Off Broadway between June 2004 and May 2005 essays by distinguished theater critics and commentators on all 10 of the chosen plays listings of the longest running plays and of the winners of the notable theater awards in many cases ever since those awards were established and the full membership of the Theater Hall of Fame But the scope of this book extends far beyond New York recognizing as it does the vitality and the innovative contributions of resident theaters throughout the country The invaluable survey of the season around the United
