Chats Ewen Chatfield,1988 **Sport and the New Zealanders** Greg Ryan,Geoff Watson,2018-08-09 A history of New Zealanders and the sports that we have made our own from the Maori world to today s professional athletes those two mighty products of the land the Canterbury lamb and the All Blacks have made New Zealand what she is in spite of politicians claims to the contrary wrote Dick Brittenden in 1954 For many in New Zealand prowess at sport replaces the social graces in the pubs during the furious session between 5pm and closing time an hour later the friend of a relative of a horse trainer is a veritable patriarch No matador in Madrid no tenor in Turin could be sure of such flattering attention As Brittenden suggested sport has played a central part in the social and cultural history of Aotearoa New Zealand throughout its history This book tells the story of sport in New Zealand for the first time from the Maori world to today s professional athletes Through rugby and netball bodybuilding and surf lifesaving the book introduces readers to the history of the codes the organisations and the players It takes us into the stands and on to the sidelines to examine the meaning of sport to its participants its followers and to the communities to which they belonged Why did rugby become much more important than soccer in New Zealand What role have Maori played in our sporting life Do we really punch above our weight in international sport Does sport still define our national identity Viewing New Zealand sport as activity and as imagination Sport and the New Zealanders is a major history of a central strand of New Zealand life Ian Botham Simon Wilde,2011-04-14 Ian Botham arrived on the international scene just in time to ride sport s first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn t necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from **Gentlemen and Players** Michael Marshall,1987 My Life in

Cricket Dennis Lillee,1984 **Colour Blind** Alvin Kallicharran, Robert Caine,2019-09-05 From growing up in a tiny village Port Mourant Berbice to amassing over six decades of cricketing experience former West Indies cricketer Alvin Kallicharran has a lot to offer to the cricketing world Having been through ups and downs fighting adversities and overcoming challenges he feels his experiences and influences will help upcoming young cricketers to understand that success comes with hard work and dedication He firmly believes that principles virtues and values will last a lifetime and that it is only with patience that success is achieved When my wife Patsy motivated me to write this book as a way of giving back to the kids I thought long and hard about it I could have written about my successes But having worked with kids from different backgrounds and countries over the last 16 years and the devotion I have in creating sports careers I decided to change the whole angle of the book The more I wrote the clearer it became that the story I wanted to share was my journey of overcoming adversities hardships and struggles to achieve success Alvin Kallicharran Colour Blind is filled with colourful stories colourful events and colourblind cricketers just like Alvin The book reinstates the fact that sport is the ultimate equaliser and that the ball knows no colour I have played cricket with Alvin Kallicharran for a long time He was my hero and was playing much before I broke into the cricket scene I wish him all the success good health and happiness Kapil Dev Former Indian Cricketer Colour Blind is not your usual cricket autobiography offering some personal background and the occasional cricketing insight but more often than not padded with details of runs scored wickets taken catches held and missed and other mundane details that can be easily looked up elsewhere In Kallicharran s autobiography his life and cricket experiences are narrated only to bring out what he calls the principles virtues and values that will last a lifetime Each chapter concludes with a set of Key Takeaways and Action Steps Read this book and make up your own mind N Ram Chairman The Hindu Publishing Group **Not Out at Close of Play** Dennis Amiss MBE,2021-03-01 You could argue that Dennis Amiss seven decade cricket career started the day he was born when his parents named him after not one but two celebrated cricketers Or maybe it started when he was 7 sneaking into the Birmingham Cooperative Society to play a few matches with his friends as long as they avoided the groundskeeper Or perhaps it was on 7 April 1958 not only his fifteenth birthday but also his first day as a professional cricketer Whatever day you start on there s no denying that Amiss has had an extraordinary career He is one of England s cricketing greats with 100 first class hundreds to his name and a place as one of Wisden s Cricketers of the Year Hugely well respected on and off the pitch he didn t shy away from controversy taking part in the 1982 Rebel Tour of Apartheid South Africa and somehow ending up in the midst of the battle between World Series Cricket and the England Cricket Board Not Out at Close of Play is the story of how passion commitment and practice and no small amount of stubbornness took a boy from the backstreets of Birmingham to worldwide cricket stardom **Not Only, But Also - My Life in Cricket** Malcolm Nash,Richard Bentley,2018-05-18 Malcolm Nash achieved sporting immortality as the bowler hit for a world record six sixes by the legendary batsman Garry Sobers at Swansea in 1968 but as Malcolm himself notes although this single over made his

name well known it should not define his long and distinguished cricketing career A highly regarded bowler Malcolm played over 600 matches for Glamorgan between 1966 and 1983 took over 1 300 wickets had an England trial and was unlucky not to receive international recognition In Not Only But Also his sporting memoir published fifty years after that historic day in Swansea Malcolm not only looks back at that over at St Helen s but also explores and celebrates his wider achievements with ball and bat painting an intriguing and nostalgic picture of county cricket and the life of a county cricketer in the 1960s and 1970s Described by his friend John Arlott as a highly skilful manipulator of medium pace seam bowling Malcolm s story is of a cricketing life full of excitement and incident It is a career remembered not only for that single over bowled to the best cricketer in the world but also by much much more

Cricket is My Life Sir Leonard Hutton,1954 **Chats on the Cricket Field** W. A. Bettesworth,F. S. Ashley-Cooper,1910 **Lillee** Dennis Lillee,1982 **Six Machine** Chris Gayle,2016-06-02 If the ball s there hit it Don t worry about what might happen Play for the glory Play for the six Chris Gayle is the only man to have ever hit a six off the first ball of a Test match But then producing the impossible is an everyday act for the West Indies legend the first man to smash an international T20 century the first to hit a World Cup 200 the fastest century in the history of the game He has hit twice as many T20 sixes as any other man and scored two Test triple centuries All this is delivered with cricket s biggest bat and an even bigger smile Off the pitch millions follow him on Instagram and Twitter to catch a glimpse of a globe trotting life spent in nightclubs as much as nets hot tubs as often as helmets and pads He plays late parties later demolishes a king size pile of pancakes and then strolls out to mangle another hapless bowling attack But do we really know him Do we know what took a shy skinny kid from a cramped tin roofed shack in the dusty back streets of Kingston sharing a bed with three brothers and stealing empty bottles to buy food to the very top of the cricket world without losing himself along the way Outrageous and utterly original this unputdownable memoir will leave you reeling Welcome to the world of the Six Machine

A Thirst for Life Henry Blofeld,2000 With his trademark bow tie his distinctive rich plummy voice and his eccentric observations Henry Blofeld is one of Britain s prized cricket experts He has been close to the heart of the game for over 40 years As a leading commentator on Test Match Special and cricket writer at home and abroad he has informed and entertained wide audiences with his extensive knowledge and perception of cricket at the very highest level

Pitch of Life Chris Searle,2001 **Bowlology** Damien Fleming,2013 A collection of humorous stories based around Damien Fleming s life in cricket From how it really feels bowling the dramatic last over of the World Cup semi final to the split between the species that defines the type of people who play cricket

Ken Eastwood David Jenkins,2008 **The Innings of My Life** J. Bannister,1993 **Cricket and Classics** James Longden,William Longden,2008 The biography of Gervys Hazlitt an Australian test cricketer of the early 1900 s Provided by publisher

Life in Cricket Garfield Sobers,1995 **My Life in Cricket** Fred Titmus,2005 Born on a council estate in London s King s Cross Fred showed an incredible aptitude both as batsman and bowler from an early age From these humble beginnings he began his lifelong

involvement with the game first as a player then coach and finally as an England selector His incredible rise through the ranks of the cricketing establishment was even more remarkable given his background and the class divisions that once characterised British cricket His career has been as eventful off the pitch as it has been on When playing with Ted Dexter Dexter once insisted he and Fred opened the innings in a Test match so they could have the afternoon free to go racing at Cheltenham and after losing four toes in 1968 Titmus confounded all predictions by returning to first class cricket seven weeks later Fred Titmus A Life in Cricket is a remarkable testament to an extraordinary man
