Bibliography**

## **Chaucer Langland Arthur Essays In Middle English Literature:**

**Chaucer, Langland, Arthur: Essays in Middle English Literature** Alfred Latimer Kellogg, 1972 Chaucer Source and Analogue Criticism Lynn King Morris, 2019-09-18 Originally published in 1985 This impressive research tool offers four different indexes to cross reference works on the sources of Chaucer The user can look up sources by author genre type or title or look up the title of one of Chaucer's works to find which bibliographic entries they are mentioned within This is a useful reference work on Chaucer source and analogue scholarship including 1477 entries *Chaucer's Religious Tales* C. David Benson, Elizabeth Ann Robertson, 1990 These thirteen essays by distinguished Chaucerians deal with the most neglected genre of the Canterbury Tales the religious tales Although the prose works are also discussed the primary focus of the volume is on Chaucer's four poems in rhyme royal the Clerk's Tale the Man of Law's Tale the Second Nun's Tale and the Prioress's Tale Almost all of Chaucer's tales are religious in some sense but these four works deal specifically and deeply with faith and spiritual transcendence They appeal to qualities such as pathos not now in critical fashion but at the same time they seem extraordinarily contemporary in their special interest in women and feminist issues The time is appropriate to recognise their importance in Chaucer's canon for he is a religious poet as surely as he is a poet of comedy and secular love These essays survey past criticism on the religious tales and offer new approaches Contributors C DAVID BENSON ELIZABETH ROBINSON DEREK PEARSALL BARBARA NOLAN ROBERT WORTH FRANK LINDA GEORGIANNA CHARLOTTE C MORSEA S G EDWARDS CAROLYN COLETTE ELIZABETH D KIRK GEORGE R KEISER JANE COWGILL *Chaucer and the Politics of Discourse* Michaela Paasche Grudin, 1996 A detailed study of Chaucer's fascination with communication as a reciprocal process between speaker and listener which considers the importance of discourse for social order and the ways in which Chaucer used it against authority *Routledge Library Editions: Chaucer* Various, 2021-08-29 Reissuing works originally published between 1964 and 1994 this superb set of books is an array of scholarship on one of the most important authors of the medieval period Some of these titles are introductory books on Chaucer and his works but others are specifically focused on his humour or the sources he drew from or his importance to the development of English poetry and between them they address all of his works not only the Canterbury Tales A good coverage of critical study in the area of medieval poetry that contains interesting fodder for any literature student or academic **The Riverside Chaucer** Geoffrey Chaucer, Larry Dean Benson, 2008 The third edition of the definitive collection of Chaucer's Complete Works reissued with a new foreword by Christopher Cannon Since F N Robinson's second edition of the *The Works of Geoffrey Chaucer* was published in 1957 there has been a dramatic increase in Chaucer scholarship This has not only enriched our understanding of Chaucer's art but has also enabled scholars working for the first time with all the source material to recreate Chaucer's authentic texts For the third edition an international team of experts completely re-edited all the works added glosses to appear on the page with the text and greatly expanded the introductory material explanatory notes textual notes bibliography

and glossary In short the Riverside Chaucer is the fruit of many years study the most authentic and exciting edition available of Chaucer's Complete Works

**Angels and Earthly Creatures** Claire M. Waters, 2013-06-15 Texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher's human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher's susceptibility to the fleshly failings of lust vainglory deception and greed Preaching's problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture *Angels and Earthly Creatures* reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer's *Canterbury Tales* Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher's unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide

*Levinas and Medieval Literature* Ann W. Astell, Justin A. Jackson, 2009 Twelve essays take the unique approach of connecting Christian allegory talmudic hermeneutics and Levinasian interpretation as authors put into dialogue the ethical philosophy of Emmanuel Levinas with a variety of English and rabbinic writings from the Middle Ages thus illuminating what it means to classify medieval texts as profoundly ethical Provided by publisher

**Ten Bourdes** Melissa M Furrow, 2013-05-01 A bourde is an English comedic poem similar to a French fabliau but with a moralizing element and less of an emphasis on violence In this fresh edition of ten Middle English bourdes Melissa M Furrow aims to put funny or would be funny Middle English poems under the eyes of a much broader readership than the scholarly researchers she appealed to in her earlier edition of many of the same poems This collection is specifically designed for students and has contextualizing introductions copious notes glosses and a glossary

*Temporal Circumstances* L. Patterson, 2016-09-23 *Temporal Circumstances* provides powerful and detailed interpretations of the most important and challenging of the *Canterbury Tales* Well informed and clearly written this book will interest both those familiar with Chaucer's masterpiece and readers new to it

**Old and Middle English Poetry to 1500** Walter H. Beale, 1976 *The Publishers Weekly*, 1972 **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978 *Outlines of English and American Literature* William Joseph Long, 1917 *The Literature of Penance in Anglo-Saxon England* Allen J. Frantzen, 1983

**1988 Research and Scholarly Activities Forum** Jeffrey Leptak,1988     *Books in Print* ,1977     Piers Plowman

James Simpson,1990 The main aim of this book is to convince the reader of Piers Plowman s centrality in any account of the literary and cultural history of the later Middle Ages It tries to demonstrate how the poem despite being deeply anchored in a conservative literary ecclesiastical and social culture in fact questions that culture in moving towards positions of doubt and dissent and in reimagining social and religious institutions     **Early English Text Society** ,1976     *Studies in the Age of Chaucer* Larry Scanlon,2002 *Studies in the Age of Chaucer* is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200 1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications
