Chaplain To The Confederacy Basil Manly And Baptist Life In The Old South:

Chaplain to the Confederacy A. James Fuller, 2000-10-01 As Jefferson Davis paraded through the streets of Montgomery Alabama to take the oath of office as the first president of the Confederate States of America two men accompanied him in his open coach Alexander Stephens the vice president elect and Basil Manly A noted southern Baptist preacher educator and the most ardent secessionist of them all Manly had been selected to serve as chaplain to the provisional Confederate Congress and opened the inaugural ceremonies with a prayer For nearly thirty years Manly had worked devotedly for the establishment of a southern nation and in 1861 his sermons and public prayers before church and congress lent moral and religious legitimacy to the new Confederate government In this the first full biography of Manly A James Fuller analyzes the life and career of this working minister illustrating the central role of religion in the formation of the Confederacy Fuller argues that Manly brought together the various themes of the broader culture into his own conception of Christian gentility including his actions as the official chaplain to the Confederate government In Manly s eyes the Confederacy was the incarnation of God s plan for the South A planter slaveholder and staunch defender of the peculiar institution he hoped to temper the brutality of bondage by promoting the Christian duties of masters as well as slaves In practice he tried to reconcile the traditions of honor and evangelical virtue the contradictions of white liberty and black slavery the ideals of the individual and the need for community in matters both sacred and secular *Slavery and the University* Leslie Maria Harris, James T. Campbell, Alfred L. Brophy, 2019 *Slavery and the University* is the first edited collection of scholarly essays devoted solely to the histories and legacies of this subject on North American campuses and in their Atlantic contexts Gathering together contributions from scholars activists and administrators the volume combines two broad bodies of work 1 historically based interdisciplinary research on the presence of slavery at higher education institutions in terms of the development of proslavery and antislavery thought and the use of slave labor and 2 analysis on the ways in which the legacies of slavery in institutions of higher education continued in the post Civil War era to the present day The collection features broadly themed essays on issues of religion economy and the regional slave trade of the Caribbean It also includes case studies of slavery s influence on specific institutions such as Princeton University Harvard University Oberlin College Emory University and the University of Alabama Though the roots of *Slavery and the University* stem from a 2011 conference at Emory University the collection extends outward to incorporate recent findings As such it offers a roadmap to one of the most exciting developments in the field of U S slavery studies and to ways of thinking about racial diversity in the history and current practices of higher education **Perspectives History Higher Education V 25 2006** Roger L Geiger, *Perspectives on the History of Higher Education* Roger L. Geiger, 2017-07-05 Volume Twenty Five of *Perspectives on the History of Higher Education* the silver anniversary edition offers three fresh contributions to the understanding of American higher education in the nineteenth century and three historical perspectives on topics of

contemporary concern The divergent paths of antebellum colleges in the North and South have long been recognized Stephen Tomlinson and Kevin Windham discuss Alva Woods who moved from Calvinist New England to preside over the new University of Alabama Woods personified the commitment to evangelical Protestantism and rigid student discipline that prevailed in northern colleges of that era but in Tuscaloosa confronted the sons of planters raised to respect mainly independence power and the Southern code of honor Adam Nelson considers geology a crucially important science in early America that existed on the periphery of higher education but eventually exerted pressure for intellectual modernization He portrays the small community of scientific pioneers who sought the latest scientific knowledge from Europe surveyed the mineral wealth of American states and advocated for science in the college curriculum Beginning in the 1930s the National Research Council waged an organized campaign to encourage academic patenting and centralize it within one organization Jane Robbins explains the crosscurrents of interests that plagued and eventually scuttled that effort but that set the stage for the contemporary practice of university patenting Robert Hampel examines how for more than four decades students at Yale University took a major responsibility for learning into their own hands by publishing a Critique of courses He analyzes these documents to determine if their aims were to identify easy or challenging offerings and finds that this effort produced highly responsible articles A review essay by Doris Malkmus sheds new light on the experience of co eds in **Dictionary of Early American Philosophers** John R. Shook, 2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject's writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject *The Journal of Mississippi History*, 2002 Includes section Book reviews North & South, 2000 **The Southern Historian**, 2001 **Robert Lewis Dabney** Sean Michael Lucas, 2005 This new biography on Robert Lewis Dabney presents Dabney as a representative southern Presbyterian who provides a window into the post bellum southern Presbyterian mind **Confederate Veteran**, 2001 **Perspectives on the History of Higher Education**, 2007 *Blue & Gray Magazine*, 1999 **South Carolina Historical Magazine**, 2007 **America, History and Life**, 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada The Register of the Kentucky Historical Society Kentucky Historical Society, 2001 **Braided Relations, Entwined Lives** Cynthia M.
