Character And Concept In The Barsetshire Novels Of Angela Thirkell:

Concept and Character in the Barsetshire Novels of Angela Thirkell Penelope Joan Fritzer, 2005 **Ethnicity and Gender in the Barsetshire Novels of Angela Thirkell** Penelope Fritzer, 1999-04-30

Angela Thirkell wrote more than 30 comic novels that spanned the period between 1930 and 1960 in England. Beginning in 1933 the books are set in Barsetshire as extensions of the seven Barsetshire novels of Anthony Trollope. In her works Thirkell creates a world in which minor characters from one novel appear as major characters in another and in which her various figures go to school, court, marry, give birth, bring up their children, retire and die. The domestic concerns of her novels are set against a time of great stress for England which witnessed World War II and its social and political aftermath. While her books highlight the pretensions and weaknesses of various groups in England, her humorous narratives constantly reflect a conservative social and political viewpoint. There are several strong themes that run throughout the Barsetshire novels, but two of the most notable are ethnicity and conventional marriage-oriented gender roles. Fritzer's book examines the importance of gender and ethnicity in Thirkell's Barsetshire novels and discusses how her characters convey conservative views within a comic world. Thirkell repeatedly makes clear that England is best and that it is better to be born English than to become British. Not many foreigners appear in the early books, and throughout the ones who do are nearly all caricatures, from the arrogant French to the oblivious Americans. In her later works foreigners appear more frequently and are treated with less disdain. Because her books concern the pairing off of couples, marriage and domesticity figure prominently in her works. Thirkell upholds the idea of conventional marriage-oriented roles for both men and women, but she includes a benign acknowledgment of homosexuality. Casual sex and illegitimacy are generally reserved for the lower class. However, sexuality for the most part does not play a large role in the novels, and pairings come about more often for reasons of suitability, affection, and financial stability. Few scholarly works have been written about Thirkell, though her novels are now experiencing a revival of interest. Because gender and ethnicity are central to many contemporary debates, Fritzer's book is a valuable guide to Thirkell's relevance to modern audiences.

English Country Life in the Barsetshire Novels of Angela Thirkell Laura Collins, 1994-11-30

After the publication in 1932 of Angela Thirkell's first Barsetshire novel, her fans eagerly awaited a new book in the series, and they were rewarded annually for the next 27 years. Drawing upon the entire body of Barsetshire novels set in Trollope's imaginary county, whose seat Barchester is a cathedral town, Laura Collins shows Angela Thirkell's larger purposes in chronicling the daily lives of the rural English. *English Country Life* demonstrates Thirkell's conviction that loyalty to family, county, and country is the essential bond that strengthens middle-class culture, her close acquaintance with the English countryside, her high regard for the wit and wisdom of its people, and her firm conviction that the strong family unit is the backbone of the nation. These are recurrently illustrated in the Barsetshire series. Collins traces the development of representative county families and their responses to the forces of political and economic decline. The book conveys Thirkell's

mastery of detail in recreating life on the county's estates and farms and in towns and villages reflecting the cultural changes forced upon all social classes by the two World Wars and their aftermath Collins shows how Thirkell's own life is reflected in her county chronicles Perhaps most significantly Collins believes Thirkell's own experiences as a daughter and as a mother to three sons is reflected throughout the novels revealing largely in hindsight the touching ironies as well as the comedy of these relations In the course of these narratives her sharp sense of human nature is seen at its best when she introduces readers to the many babies toddlers and adolescents who grow up in Barsetshire Making extensive use of the series Collins demonstrates convincingly that Thirkell presents an authentic record of upper middle class English country life For public libraries and research collections where Angela Thirkell's novels are read enjoyed and studied **New York Magazine**, 1980-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Ethnicity and Gender in the Barsetshire Novels of Angela Thirkell Penelope Fritzer, 1999-04-30 Angela Thirkell wrote more than 30 comic novels that spanned the period between 1930 and 1960 in England Beginning in 1933 the books are set in Barsetshire as extensions of the seven Barsetshire novels of Anthony Trollope In her works Thirkell creates a world in which minor characters from one novel appear as major characters in another and in which her various figures go to school court marry give birth bring up their children retire and die The domestic concerns of her novels are set against a time of great stress for England which witnessed World War II and its social and political aftermath While her books highlight the pretensions and weaknesses of various groups in England her humorous narratives constantly reflect a conservative social and political viewpoint There are several strong themes that run throughout the Barsetshire novels but two of the most notable are ethnicity and conventional marriage oriented gender roles Fritzer's book examines the importance of gender and ethnicity in Thirkell's Barsetshire novels and discusses how her characters convey conservative views within a comic world Thirkell repeatedly makes clear that England is best and that it is better to be born English than to become British Not many foreigners appear in the early books and throughout the ones who do are nearly all caricatures from the arrogant French to the oblivious Americans In her later works foreigners appear more frequently and are treated with less disdain Because her books concern the pairing off of couples marriage and domesticity figure prominently in her works Thirkell upholds the idea of conventional marriage oriented roles for both men and women but she includes a benign acknowledgment of homosexuality Casual sex and illegitimacy are generally reserved for the lower class However sexuality for the most part does not play a large role in the novels and pairings come about more often for reasons of suitability affection and financial stability Few scholarly works have been written about Thirkell though her novels are now experiencing a revival of interest

Because gender and ethnicity are central to many contemporary debates Fritzer's book is a valuable guide to Thirkell's relevance to modern audiences [Bloomsbury Good Reading Guide](#) Nick Rennison, 2009-01-01 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some of the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non-fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum *The Observer* [The Writers Directory](#), 2013

The Routledge Companion to Philosophy of Literature Noël Carroll, John Gibson, 2015-12-07 The Routledge Companion to Philosophy of Literature is an in-depth examination of literature through a philosophical lens written by distinguished figures across the major divisions of philosophy Its 40 newly commissioned essays are divided into six sections historical foundations what is literature aesthetics appreciation meaning interpretation metaphysics epistemology ethics political theory The Companion opens with a comprehensive historical overview of the philosophy of literature including chapters on the study's ancient origins up to the 18th-20th centuries The second part defines literature and its different categories The third part covers the aesthetics of literature The fourth and fifth sections discuss the meaning and consequences of philosophical interpretation of literature as well as epistemological and metaphysical issues such as literary cognitivism and imaginative resistance The sixth section contextualizes the place of philosophy of literature in the real world with essays on topics such as morality politics race and gender Fully indexed with helpful further reading sections at the end of each chapter this Companion is an ideal starting point for those coming to philosophy of literature for the first time as well as a valuable reference for readers more familiar with the subject **Exploring Imaginary Worlds** Mark Wolf, 2020-10-08 From *The Brothers Karamazov* to *Star Trek* to *Twin Peaks* this collection explores a variety of different imaginary worlds both historic and contemporary Featuring contributions from an interdisciplinary and international group of scholars each essay looks at a particular imaginary world in depth and world-building issues associated with that world Together the essays explore the relationship between the worlds and the media in which they appear as they examine imaginary worlds in literature television film computer games and theatre with many existing across multiple media simultaneously The book argues that the media incarnation of a world affects world structure and poses unique obstacles to the act of world building The worlds discussed include Nazar Barsetshire Skotopogonievsk the Vorkosigan Universe Grover's Corners Gormenghast Collinsport Daventry Dune the Death Gate Cycle universe *Twin Peaks* and the *Star Trek* galaxy A follow-up to Mark J P Wolf's field-defining book *Building Imaginary Worlds* this collection will be of critical interest to students and scholars of popular culture subcreation studies transmedia studies literature and beyond **Dictionary of Fictional Characters** William
