Character And Purpose Of Lukes Christology The:

The Character and Purpose of Luke's Christology Douglas Buckwalter, 1996-08-28 Luke's christology is carefully designed. Luke portrays the exalted Jesus as God's co-equal by the kinds of things he does and says from heaven. Through the Holy Spirit, the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament. His power and knowledge are supreme. Jesus sovereignly reigns over Israel, the church, the powers of darkness, and the world. Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant. The earthly Jesus acted among his people as one who serves the exalted Jesus. He continues serving his people by strengthening and encouraging them in their witness of him to the world. That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant-like character in their witness of him.

The Kingdom according to Luke and Acts Karl Allen Kuhn, 2015-04-14 This substantial, reliable introduction examines the character and purpose of Luke and Acts and provides a thorough yet economical treatment of Luke's social, historical, and literary context. Karl Allen Kuhn presents Luke's narrative as a kingdom story that both announces the arrival of God's reign in Jesus and describes the ministry of the early church, revealing the character of the kingdom as dramatically at odds with the kingdom of Rome. Kuhn explores the background, literary features, plotting, and themes of Luke and Acts but also offers significant, fresh insights into the persuasive force of Luke's impressively crafted and rhetorically charged narrative.

The Character and Purpose of Luke's Christology H. Douglas Buckwalter, 1991

A Man Attested by God Kirk, 2016 Thought provoking alternative perspective on the full humanity of Jesus Christ. In A Man Attested by God J. R. Daniel Kirk presents a comprehensive defense of the thesis that the Synoptic Gospels present Jesus not as divine but as an idealized human figure. Counterbalancing the recent trend toward early high Christology in such scholars as Richard Bauckham, Simon Gathercole, and Richard Hays, Kirk here thoroughly unpacks the humanity of Jesus as understood by Gospel writers whose language is rooted in the religious and literary context of early Judaism. Without dismissing divine Christologies out of hand, Kirk argues that idealized human Christology is the best way to read the Synoptic Gospels and he explores Jesus as exorcist and miracle worker within the framework of his humanity. With wide-ranging exegetical and theological insight that sheds startling new light on familiar Gospel texts, A Man Attested by God offers up to date provocative scholarship that will have to be reckoned with.

Characters and Characterization in Luke-Acts Frank Dicken, Julia Snyder, 2016-10-20 Like all skilful authors the composer of the biblical books of Luke and Acts understood that a good story requires more than a gripping plot a persuasive narrative also needs well portrayed plot enhancing characters This book brings together a set of new essays examining characters and characterization in those books from a variety of methodological perspectives The essays illustrate how narratological sociolinguistic reader response feminist redaction reception historical and comparative literature approaches can be fruitfully applied to the question of Luke's techniques of characterization Theoretical and methodological discussions are complemented with case studies of specific Lukan characters Together the essays reflect the understanding that while many of the literary techniques involved in characterization attest a certain universality each writer also brings his or her own unique perspective and talent to the portrayal and use of characters with the result that analysis of a writer's characters and style of characterization can enhance appreciation of that writer's work
