WHAT I HAVE LEARNED

Character Education In The Classroom

Kenneth Burrett, Timothy Rusnak

Character Education In The Classroom:

Character Education in the Classroom Donna Jean Scanio, 2005-06-29 Is your character showing It has been said that a picture is worth a thousand words What that means is that a picture can be remembered 10 years later whereas the exact words can be lost along the way What does that tell you about the way you act and behave How do you look to others I developed this program to help students learn skills necessary in building character This material is designed to be an 8 10 week course that can be taught in schools I have included various character traits along with worksheets for students to use to help them practice these skills necessary to develop character You will see a variety of examples as well as appropriate and inappropriate behaviors I have also included assessments to help evaluate student success in learning This material is designed so that you can have fun while learning how to replace inappropriate skills with more appropriate and acceptable skills Teachers should use this material as a guide to fit their individual teaching style **Character Education** Harry Charles McKown, 1935 PRIMED for Character Education Marvin W Berkowitz, 2021-04-21 Winner of the 2023 Outstanding Book Award from AERA s Moral Development and Education SIG In PRIMED for Character Education renowned character educator Marvin W Berkowitz boils down decades of research on evidence based practices and thought provoking field experience into a clear set of principles that leaders administrators and teacher leaders can implement to help students thrive The author s original six component framework offers a comprehensive guide to shaping purposeful learning environments healthy relationships core values and virtues role models empowerment and long term development in any PreK 12 school or district This engaging and heartfelt book features tips for practice anecdotes from award winning schools and straightforward tenets from moral education social emotional learning and positive psychology **Character Education Connections for School, Home, and Community** Diane Stirling, Georgia Archibald, Linda McKay, Shelley Berg, 2000 This book is a clear concise holistic resource for classroom teachers with a thoughtful collection of approaches to integrating character education into daily learning and school life Teaching Character and Virtue in Schools James Arthur, Kristján Kristjánsson, Tom Harrison, Wouter Sanderse, Daniel Wright, 2016-07-15 Teaching Character and Virtue in Schools addresses the contemporary issues of quantification and measurement in educational settings The authors draw on the research of the Jubilee Centre at the University of Birmingham in order to investigate the concern that the conventional wisdom sound judgement and professional discretion of teachers is being diminished and control mistakenly given over to administrators policymakers and inspectors which in turn is negatively effecting pupils character development The books calls for subject competence to be complemented by practical wisdom and good character in teaching staff It posits that the constituent virtues of good character can be learned and taught that education is an intrinsically moral enterprise and that character education should be intentional organised and reflective The book draws on the Jubilee Centre s expertise in support of its claims and successfully integrates the fields of educational studies psychology sociology philosophy and

theology in its examination of contemporary educational practices and their wider effect on society as a whole It offers sample lessons as well as a framework for character education in schools The book encourages the view that character education is about helping students grasp what is ethically important and how to act for the right reasons so that they can become more autonomous and reflective individuals within the framework of a democratic society Particularly interested readers will be educational leaders teachers those undertaking research in the field of education as well as policy analysts with a keen interest in developing the character and good sense of learners today

Character Education Activities for K-6 Classrooms Sandra Peyser, Miriam Smith McLaughlin, 1997 Each year more children come to school unprepared to relate appropriately to others and to contribute to a positive school climate These children seem to have more problems and less ability to cope with the structural environment of the school Educators tend to agree that many children lack the character traits necessary for healthy positive growth and development Many factors contribute to this situation Family mobility separates people from their extended families children spend a limited amount of time with their parents or other influential family members and children often view inappropriately portrayed behaviors on television and in the movies Schools have identified character education as part of the solution This book offers character education activities for the classroom than can be integrated into the school day It presents 52 activities that can be included in social studies health and language arts lessons The activities are designed for counselors social workers and other student services personnel to use when working with individuals small groups and classroom guidance Activities focus on responsibility good citizenship compassion cooperation and character formation Contains 7 references JDM

Educating Hearts and Minds Edward F. DeRoche, Mary M. Williams, 2001 A great resource for teaching that character matters in furthering the ideals on which this country has been built Carol Russo Principal William Lloyd Garrison School Bronx NY The soil of our schools has lost a nurturing ingredient that is essential to give life to the ideas and the efforts of educators That missing nurturing ingredient is the school's moral mission DeRoche and Williams have written a sound and practical book not only for educators but for anyone interested in learning exactly how schools can navigate these often shoal filled waters Kevin Ryan From the Foreword

An Integrated Approach to Character Education Timothy Rusnak, 1998 This book proposes an effective action oriented way of addressing students values and character growth The contributors emphasize combining three vital aspects of teaching and learning thinking feeling and acting Contributing authors address the principles that form the integrated approach to character education Two chapters are devoted to each principle with a practitioner and a research scholar offering a balanced view Real world examples help translate the six key principles into an integrated character education program Character education is a part of every subject Integrated character education is action education A positive school environment helps build character Character development is encouraged through administrative policy and practice Empowered teachers promote character development The school and community are vital partners in developing character The information in this book can help you teach your students to Feel and show empathy for others self esteem Respect others rights Develop and use self discipline Recognize their own responsibilities This book shows what you can do to promote character growth in students and teach them how to know right from wrong An integrated approach to teaching character education will make all the difference in the way your students think feel and act

Character Education Edward F. DeRoche, Mary M. Williams, 2001

Contemporary schools require far more than just the three R s Beyond the books and tests educational facilities are expected to produce members of society with integrity as well Character education is an abstract idea that many educators both teachers and administrators have a difficult time implementing and too often it gets left out of the curriculum How do school personnel then instill values of good character in students and as an administrator how do you spread these values to the entire school DeRoche and Williams provide school leaders with an effective road map touring schools that have achieved success The authors divide the reader s journey through reform efforts into several tour stops beginning with a review of the character education framework passing through subjects such as school climate core values training personnel forming relationships and concluding with guidelines for evaluation Each stop contains a list of helpful articles or books as well as valuable Internet resources The conclusion of the journey is ultimately the responsibility of school leaders but this book will give you a head start
