

A photograph of a family of five walking through a grassy field. From left to right: a woman in a dark blue dress, a man in a light blue polo shirt with red and white stripes, a woman in a plaid shirt, a man in a light green polo shirt, and a woman in a grey tank top. They are all smiling and looking towards the right. The background is filled with lush green trees and foliage.

American Book Publishing Record ,2002 **Pass the Faith, Please** Lori Borgman,2004 *Children Do Not Live by Macaroni and Cheese Alone* As a parent you have roughly eighteen years to imprint life s basic lessons onto the heart of your child from the need to put the milk back in the refrigerator to the value of turning in school assignments on time Above all you want your child to have a dynamic living faith a rock solid belief system How does a parent ascend to such lofty heights while tethered to piles of laundry unpaid bills and a yapping dog It s easier than you may think Just as Christ did with the disciples parents impart crucial lessons in the midst of ordinary everyday life So pull up a chair and discover how you can turn seemingly unremarkable daily moments into opportunities to instill in your child a truly remarkable faith *The Natural Way to Feed Your Child s Spiritual Hunger* Pass the Potatoes Pass the Meatloaf Pass the Faith Since your child was a tiny baby you have been lovingly providing food for his or her body stimulation for the mind love for the heart and truth for the spirit Yet it is as you go about the familiar rituals of life in the very holiness of the mundane that you may best teach your child about God and His ways Using the memorable metaphor of the family dinner table where napkins illustrate the power of forgiveness and placemats protect our tables as Scripture protects our children s souls author Lori Borgman illustrates how to make the most of the natural teaching times in daily life and find creative enjoyable ways to interweave spiritual nurture with the struggles and joys of everyday living **The Hidden Life** Kitty Crenshaw,Catherine Snapp,2005-12-30 This biography of Betty Skinner offers her dramatic life story with total vulnerability beautifully capturing Skinner s amazing story and showing readers how to find the hidden place within themselves where they can meet God intimately
