Character Above All Richard Reeves On John F Kennedy:

Character Above All Essays: John F. Kennedy , The Public Broadcasting Service PBS and MacNeil Lehrer Productions offer an excerpt from an essay about the character of U S President John Fitzgerald Kennedy 1917 1963 written by American historian Richard Reeves PBS provides the excerpt as an online supplement to the Character Above All initiative which included a lecture series at the University of Texas at Austin a book and a PBS television program The essay highlights the character challenges that the president faced both personally and professionally

The Scarlet Thread of Scandal Charles W. Dunn,2001 Never before have Americans been more concerned about the moral dimensions of presidential leadership What role should morality play in the decision making of our most powerful elected official What did the Founders think about the significance of morality in this cherished political institution Does the private behavior of a president influence his or her ability to lead our nation In *The Scarlet Thread of Scandal* eminent scholar Charles W Dunn turns a penetrating eye to the history of presidential scandals to answer these and other pressing questions Scandals are surely nothing new in the White House_ever since the creation of the republic presidents have made morally questionable judgments whether constitutional ethical legal or personal In eloquent and judicious prose Dunn chronicles the numerous controversies in presidential history paying particular attention to their impact on the American people and public memory *The Scarlet Thread of Scandal* will make all Americans think differently about past present and future presidents

The Conviction to Lead Albert Mohler,2023-09-19 Change the Way You Think about Leadership At the age of thirty three Dr Albert Mohler became the youngest president in the 164 year history of Southern Baptist Theological Seminary He was the driving force behind the school s transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth In the process he became one of the most important and prominent Christian voices in contemporary culture What will it take to transform your leadership Effective leaders need more than administrative skills and vision They need to be able to change the hearts and minds of those they lead Leadership like this requires passionate beliefs that can stand up to pressure from without and within In this updated edition Dr Mohler has added a new introduction and conclusion based on an additional 10 years of leadership He has also completely rewritten the chapter *The Digital Leader* *The Conviction to Lead* will crystallize your convictions while revolutionizing your thinking your decision making your communication and ultimately those you lead Dr Al Mohler has written a book that shakes us up and challenges our thinking *The Conviction to Lead* is poised to become one of the all time classic works on Christian leadership JIM DALY President Focus on the Family Having rarely thought about leadership I was hooked from the first chapter to my complete surprise This is a powerful book and gracefully written FRED BARNES Executive Editor *The Weekly Standard*

The Development of the American Presidency Richard J. Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical

turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time [Hail to the Chief](#) Robert Dallek,1997-11-28 An enlightening and thought provoking presidential biography and original historical analysis this fascinating book profiles the entire history of the presidency the personalities who occupied the Oval Office and the strategies that have led to their successes or their failures **A Higher Purpose** Thomas J. Whalen,2007-06-07 In the American political system today courage and the presidency are rarely spoken of in the same sentence Forgotten is the wisdom of Andrew Jackson One man of courage makes a majority Thomas J Whalen s *A Higher Purpose* seeks to prove the truth behind Jackson s words by relating the stories of nine historic decisions made by commanders in chief over two centuries of American history From Lincoln s Emancipation Proclamation to Theodore Roosevelt s confrontation with the business trusts these vignettes show how some of our presidents have demonstrated the capacity to place their political lives on the line for a higher purpose **Character Above All** Robert A. Wilson,1995 Critical profiles of ten presidents which examine their political actions and their psychological traits **Psychotherapy and Confidentiality** Ralph Slovenko,1998 **Star-Spangled Men** Nathan Miller,1999-02-25 Picking America s best presidents is easy George Washington Abraham Lincoln and Franklin D Roosevelt usually lead the list But choosing the nation s worst presidents requires more thought In

Star Spangled Men respected presidential biographer Nathan Miller puts on display those leaders who were abject failures as chief executive With pointed humor and a deft hand he presents a rogues gallery of the men who dropped the presidential ball and sometimes their pants as well Miller includes Richard M Nixon who was forced to resign to escape impeachment Jimmy Carter who proved that the White House is not the place for on the job training and Warren G Harding who gave being in the closet new meaning as he carried on extramarital interludes in one near the Oval Office This current edition also includes a new assessment of Bill Clinton who has admitted lying to his family his aides his cabinet and the American people

Words on Cassette, 2002 R R Bowker Publishing, 2002 **Books Out Loud** ,2004 **The New Leader** ,1997 *In Our Times* Norman L. Rosenberg, Emily S. Rosenberg, 2003 For courses in U S or American History Since 1945 More concise livelier and broader in coverage than other similar texts this popular overview of American life since 1945 offers a clearly written authoritative interpretive narrative that pays special attention to major trends in foreign policy mass culture social history gender politics civil rights economics and political culture Organized both chronologically and topically it provides balanced insights and demonstrates the ways in which different kinds of history blend together and also provides a broad view of politics American Foreign Relations: A history since 1895 Thomas G. Paterson, John Garry Clifford, Kenneth J. Hagan, 1999 John F. Kennedy Thomas C. Reeves, 1990 *The Atlantic Monthly* ,1994 The New York Times Book Review ,1994-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Publishers Weekly** ,1995 *The Encyclopedia of American Catholic History* Michael Glazier, Thomas J. Shelley, 1997 The encyclopedia lists essential data on all Catholic colleges and universities and on all religious institutions of men and women but it was not feasible to have a separate entry on each Therefore a representative selection was made and articles were written on some of the larger and smaller colleges and universities and the same procedure was adopted with the religious orders and congregations Unfortunately space did not permit the inclusion of every important person or event in American Catholic history Introduction Chronicles ,1992
