Robert Lee

Character Of Robert Edward Lee:

Robert E. Lee Rod Gragg,2010-05-21 Robert E Lee commander of the Confederate Army of Northern Virginia embodied the Old South Humility leadership and duty are only a few of the characteristics that were recognized by friends family soldiers and strangers A sampling of Lee s advice is presented in this book amid quotations from those who knew him

Recollections and Letters of General Robert E. Lee Robert Edward Lee,1904 **The Character & Faith of Robert E. Lee** Robert Edward Lee,2002 The Character of Robert Edward Lee William G. Pendleton,2011-08 A Life of General Robert Edward Lee John Cooke,2012-11-11 The name of Lee is beloved and respected throughout the world Men of all parties and opinions unite in this sentiment not only those who thought and fought with him but those most violently opposed to his political views and career It is natural that his own people should love and honor him as their great leader and defender in a struggle of intense bitterness that his old enemies should share this profound regard and admiration is due solely to the character of the individual His military genius will always be conceded and his figure remain a conspicuous landmark in history but this does not account for the fact that his very enemies love the man His private character is the origin of this sentiment The people of the North no less than the people of the South feel that Lee was truly great and the harshest critic has been able to find nothing to detract from this view of him The soldier was great but the man himself was greater No one was ever simpler truer or more honest Those who knew him best loved him the most Reserved and silent with a bearing of almost austere dignity he impressed many persons as cold and unsympathetic and his true character was long in revealing itself to the world To day all know what his friends knew during his life that under the grave exterior of the soldier oppressed with care and anxiety beat a warm and kindly heart full of an even extraordinary gentleness and sweetness that the man himself was not cold or stiff or harsh but patient forbearing charitable under many trials of his equanimity and magnanimous without effort from the native impulse of his heart Friend and foe thus to day regard him with much the same sentiment as a genuinely honest man incapable of duplicity in thought or deed wholly good and sincere inspired always under all temptations by that prisca fides which purifies and ennobles and resolutely bent in the dark hour as in the bright on the full performance of his duty Duty is the sublimest word in our language he wrote to his son and if we add that other august maxim Human virtue should be equal to human calamity we shall have in a few words a summary of the principles which inspired Lee The crowning grace of this man who was thus not only great but good was the humility and trust in God which lay at the foundation of his character Upon this point we shall quote the words of a gentleman of commanding intellect a bitter opponent of the South in the war Lee is worthy of all praise As a man he was fearless among men As a soldier he had no superior and no equal In the course of Nature my career on earth may soon terminate God grant that When the day of my death shall come I may look up to Heaven with that confidence and faith which the life and character of Robert E Lee gave him In doing so the aim of the author is to measure out full justice to all not to arouse old enmities which should be allowed

to slumber but to treat his subject with the judicial moderation of the student of history A few words will terminate this preface The volume before the reader was begun in 1866 The writer first however informed General Lee of his design and had the honor to receive from him in reply the assurance that the work would not interfere with any he might have in contemplation he had not written a line of any work as yet and might never do so but should he write a history of the campaigns of the Army of Northern Virginia the proposed work would be rather an assistance than a hinderance As the writer had offered promptly to discontinue the work if it were not agreeable to General Lee this reply was regarded in the light of an assurance that he did not disapprove of it The composition was however interrupted and the work laid aside It is now resumed and completed at a time when the death of the illustrious soldier adds a new and absorbing interest to whatever is connected with his character or career
