Charismatic Captivation:

Charismatic Captivation Steven Lambert, 2015-09-01 Multitudes of sincere and trusting believers are caught in the virtually invisible web of religious captivation in the churches they attend ministries they are under and networks they are aligned with and don't know it. These faithful followers of Christ are unaware victims of spiritual abuse, psychological enslavement and exploitation perpetrated under the heavy hand of hyper authoritarianism. That is to say the leadership of the church group of which they are a part is dominating, controlling, manipulating and exploiting their followers for personal gain and private kingdom building. Through systematic indoctrination, victims are duped into accepting as biblical and beneficial the oppressive and abusive predominance imposed upon them by unscrupulous tyrannical church leaders. Without realizing the spiritual effect of what they are doing, myriads of sincere faithful believers in submitting themselves and surrendering unto their spiritual leaders, their God-given right to self-governance have become what God explicitly admonished against: DO NOT BECOME SLAVES OF MEN 1 Cor 7:23. Authoritarian abuse aka spiritual abuse is one of the most widespread and troubling problems facing the Church today. Indeed the truth is that ecclesiastical enslavement and exploitation is pandemic in many sectors of 21st Century Christendom, though those churches and ministries employing it go to great lengths to disguise and conceal it. Though religious predominance is certainly nothing new and hyper authoritarianism is by no means limited to the Neo Pentecostal branch of the Church, it has especially flourished in Charismatic and other Neo Pentecostal groups since it was infused into the fabric, foundation and functions of that branch of the Church in the early to mid seventies through what became known as the Discipleship or Shepherding Movement. The doctrines and practices spawned in that false movement remain an integral part of the operations of many churches and groups yet today. Written from an insider's perspective by a noted and respected Charismatic minister, *Charismatic Captivation* has been appraised and praised by ministers, scholars, theologians, church leaders and laymen as one of the most comprehensive and convincing volumes written to date on the prevalent problem of authoritarian abuse yet without the Charismatic bashing characteristic of other books citing Neo Pentecostal abuses. The New Apostolic Reformation John Weaver, 2016-04-11 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary *Jesus Camp 2006*, the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain Church Growth and Shepherding movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread and its national and international objectives. **Uncovering the Myth of Spiritual Covering** Steven Lambert, ThD, DMin, 2016-09-01 *Uncovering the Myth of Spiritual Covering* is adapted from a chapter of the widely disseminated book *Charismatic Captivation: Authoritarian Abuse, Psychological Enslavement in Neo Pentecostal*

Churches That book exposes the widespread problem of authoritarian abuse that has been flourishing virtually unabated for decades since it was first infused into the very fabric foundation and functions of the Charismatic Neo Pentecostal church during the false movement known as the Discipleship Shepherding Movement 1970 77 Owing extensively to that Movement and the teachings that were promulgated during it hyper authoritarian doctrines and practices have become cemented into the foundation fabric and functions of many churches major segments of some denominations as well as many of the apostolic networks of churches ministries and ministers that have emerged over primarily that last four or five decades The problem has become so widespread that it has now reached pandemic proportions in Pentecostal and Neo Pentecostal streams The purpose of Uncovering the Myth of Spiritual Covering is to analyze against the foundation stone of Scripture one of the foundational elements of this hyper authoritarian ecclesiastical culture demonstrate its irrefutable incongruity with Scripture and disabuse believers from acceptance of and adherence to it thereby liberating them from the invisible chains of psychological enslavement that have been holding them in bondage to the illegitimate authority structures of men Hyper authoritarianism is predominance or psychological control imposed by spiritual leaders upon their followers or congregants regarding not only their involvements within the church or ministry but also regarding their personal and private lives Ministries and church groups practicing this illegitimate domination employ various means and degrees of psychological indoctrination and coercion to compel congregants or adherents to subject and conform their personal activities behavior and affairs of life to the leadership prescribed standards rules expectations and collective corporate goals of the church or ministry The purported pretext for the imposition of this religious governance is an adulterated or perverted concept of ecclesiastical authority Promulgators and practitioners adamantly claim that the mechanisms of manipulation they employ are a perfectly Scriptural system of discipleship or spiritual training in fulfillment of the role and responsibility of spiritual leaders to make disciples However the fact of the matter is this kind of discipleship exceeds by far the bounds and intents of legitimate that is Scriptural and Godly authority This kind of so called shepherding is not that which is inspired by the Good Shepherd but by His arch rival Satan rather it is blatant misuse and abuse of authority and is Scripturally prohibited usurpation of believers God given prerogative or right of personal autonomy The author of this book Dr Steven Lambert a Pentecostal Charismatic Bible scholar and theologian shows conclusively that so called spiritual covering as theorized by those who teach promulgate and adhere to it is an absolute myth and an unmitigated lie and that indeed no semblance of the version of spiritual covering taught by its proponents exists anywhere within Scripture It is a complete fabrication concocted by the originators of these fallacious doctrines by which to facilitate and perpetuate their purely self aggrandizing objectives of subjugation domination and control of the sheep of God s Flock Every believer in Christ who has ever been exposed to the deception of spiritual covering whereby hyper authoritarian ecclesiastical autocrats use it to subjugate dominate and control their followers desperately needs to read this book and follow the 15 Rs of Recovery from Authoritarian Abuse delineated in

the book's last chapter **SPIRITUAL WARFARE: A Struggle for Truth** Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book criticizes spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare

Charismatic Control Steven Lambert, 2011-09 Multitudes of sincere and trusting believers are caught unawares in the virtually invisible web of religious captivation in certain Charismatic Neo Pentecostal churches They are unwitting victims of spiritual abuse psychological enslavement and various forms of exploitation perpetrated under the heavy hand of hyper authoritarianism That is to say the leadership of the church group of which they are a part is dominating controlling manipulating and exploiting their followers for personal gain and private kingdom building Such authoritarian abuse is pandemic in some sectors of the Church and many of the perpetrators are prominent and respected leaders of church groups or ministries espousing otherwise orthodox Christian beliefs whose membership is comprised of a cross section of average Americans individuals and families of every race education level station and walk of life rather than radical fringe religious sects and cults as many would suppose Though religious predomination is certainly nothing new and hyper authoritarianism is by no means limited to the Neo Pentecostal branch of the Church it has especially flourished in the Charismatic and Neo Pentecostal groups since it was infused into the very fabric foundation and functions of that branch of the Church in the early to mid 1970s during what became known as the discipleship or Shepherding Movement The doctrines and practices spawned in that movement remain an integral part of the operations of many churches and groups today Charismatic Control tells readers how to recognize unBiblical hyper authoritarian doctrines and practices how they became a widespread integral part of the Neo Pentecostal church why these teachings and practices are outright witchcraft authored by Satan Himself The Common Control Mechanisms employed by hyper authoritarian groups and leaders This book is must reading for anyone suspected of being a victim of authoritarian abuse It is an abridged version of the book Charismatic Captivation **Religion**
