Charismatic Gifts in the Early Church Ronald Kydd, 2014-01-01 The emergence and widespread acceptance of the validity of the charismatic experience has generated many questions One of the foremost is What happened to the gifts of the Spirit after the New Testament period Dr Ronald Kydd's careful probe seeks to answer that question After a thorough and careful study of the writings of the early church fathers Dr Kydd provides an objective informative analysis and reaches thought provoking conclusions What emerges from a study of the sources is a picture of a Church which is strongly charismatic until around A D 200 Quality scholarship communicated in a striking personal style makes this book enjoyable and challenging for the layperson minister student and scholar

Spiritual Gifts J. Terry Monahan, 2013-02 God gives every Christian at least one spiritual gift to use in their ministry But some Christians do not use it too fearful of what others may think including their own church family Yet overcoming this trepidation is paramount to doing God's work on earth Drawing on his experience in the ministry Dr J Terry Monahan offers practical insights on spiritual gifts and how to use them in this inspiring guide When members of the earthly body of Christ freely and joyfully use their spiritual gifts together they in turn will reflect Jesus With knowledge and precision Monahan examines the reasons God gives us spiritual gifts their role in the church and their importance to the spiritual health of Christianity as a whole Monahan provides an in depth explanation of each of the spiritual gifts listed in the Bible and helps you identify your own gifts You'll learn how your personality reflects your dominant spiritual gift and how to distinguish when the Holy Spirit is in and out of control of your life In addition Monahan gives examples of how spiritual gifts have been used by various people in different circumstances Do not let the enemy keep you from using your spiritual gifts Instead embrace them further the mission of the church and live your life with purpose and joy

Edgar,2001-07-25 Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical Miraculous Gifts attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy
