Charles A. Lindbergh Randy W. Roberts,David Welky,2003-07-18 Charles Lindbergh was the biggest celebrity of the first half of the twentieth century and the first to be exposed to the full and unrelenting glare of the modern mass media His name and face were everywhere on movie screens on the radio in books in magazines in newspapers after his transatlantic flight suddenly transformed the quiet and shy young Minnesotan into a national icon In 1927 Americans hailed their new hero as both an apostle of modernity and a bastion of traditional values When his baby was kidnapped and killed during the lowest days of the Great Depression the nation wondered whether it was a sign of its moral shortcomings As World War II broke out in Europe Lindbergh became one of the first to use his celebrity to promote a cause His impassioned speeches against American involvement in the war illuminate the intense debate over intervention in the late 1930s Using documents culled from a variety of sources Roberts and Welky explore the significance observers found in Charles Lindbergh at the height of his fame and examine the power and peril of modern celebrity In doing so they add depth to our understanding of American interwar culture **Charles Lindbergh** Christopher Gehr,2021-08-17 The narrative surrounding Charles Lindbergh's life

has been as varying and complex as the man himself Once best known as an aviator the first to complete a solo nonstop transatlantic flight he has since become increasingly identified with his sympathies for white supremacy eugenics and the Nazi regime in Germany Underexplored amid all this is Lindbergh's spiritual life What beliefs drove the contradictory impulses of this twentieth century icon An apostle of technological progress who encountered God in the wildernesses he sought to protect an anti Semitic opponent of US intervention in World War II who had a Jewish scripture inscribed on his gravestone and a critic of Christianity who admired Christ Lindbergh defies conventional categories But spirituality undoubtedly mattered to him a great deal Influenced by his wife Anne Morrow Lindbergh a self described lapsed Presbyterian who longed to live in grace and friends like Alexis Carrel a Nobel Prize winning surgeon eugenicist and Catholic

mystic and Jim Newton an evangelical businessman he spent much of his adult life reflecting on mortality divinity and metaphysics In this short biography Christopher Gehrz represents Lindbergh as he was neither an adherent nor an atheist a historical case study of an increasingly familiar contemporary phenomenon the spiritual but not religious For all his earnest curiosity Lindbergh remained unwilling throughout his life to submit to any spiritual authority beyond himself and ultimately rejected the ordering influence of church tradition scripture or creed In the end the man who flew solo across the Atlantic insisted on charting his own spiritual path drawing on multiple sources in such a way that satisfied his spiritual hunger but left some of his cruelest convictions unchallenged

Lindbergh A. Scott Berg, 2013-08-01 Lindbergh was the first solo pilot to cross the Atlantic non stop from New York to Paris in 1927 This awe inspiring flight made him the most celebrated men of his day a romantic symbol of the new aviation age However tragedy struck in 1932 where his baby was kidnapped and found dead The unbearable trial forced Lindbergh into exile in England and France However his soon fasciation and involvement with the Nazi regime resulted in public opinion turning against him His life was at the forefront of pioneering research in aeronautics and rocketry Also his wife became one of the century s leading feminist voices This biography explores the golden couple who have been considered American royalty

The Spirit of St. Louis Charles Augustus Lindbergh, 1998 Along with most of my fellow fliers I believed that aviation had a brilliant future Now we live today in our dreams of yesterday and living in those dreams we dream again From The Spirit of St Louis Charles A Lindbergh captured the world s attention and changed the course of history when he completed his famous nonstop flight from New York to Paris in 1927 In The Spirit of St Louis Lindbergh takes the reader on an extraordinary journey bringing to life the thrill and peril of trans Atlantic travel in a single engine plane Eloquently told and sweeping in its scope Lindbergh s Pulitzer Prize winning account is an epic adventure tale for all time

Charles Lindbergh Virginia Meachum, 2002 Describes his family background childhood dream major challenge and courage the man who is the first aviator to fly non stop alone across the Altantic Ocean in 1927 whose courage and skill not only brings him prize but also the admiration of the world
