North America and their defense of what would prove to be the social and moral foundation of Canada In 1776 tensions in the British colonies were reaching a fever pitch The citizenry was divided between those who wished to establish a new republic and those who remained steadfast in their dedication to the British Empire As the tensions inevitably boiled over into violence fault lines were exposed as every person was forced to choose a side Neighbours turned against each other Families divided Borders were redrawn The conflict was long and bloody and no side emerged unscathed But there is one story that is often overlooked in the American Revolutionary canon When the smoke from the battles had settled tens of thousands of individuals who had remained loyal to the crown in the conflict found themselves without a home to return to Destitute distraught and ostracized or downright terrorized by their former citizens these Loyalists turned to the only place they had left to go north The open land of British North America presented the Loyalists with an opportunity to establish a new community distinct from the new American republic But the journey to their new homes was far from easy Beset by dangers at every turn from starvation to natural disaster to armed conflict the Loyalists migrated towards the promise of a new future Their sacrifices set the groundwork for a country that would be completely unlike any other Neither fully American nor truly British the Loyalists established a worldview entirely of their own making one that valued steady peaceful and pragmatic change over radical revolution The Loyalists toiled tirelessly to make their dream a reality And as the War of 1812 dawned they proved they were willing to defend it with their very lives In *Hostages to Fortune* Peter C Newman recounts the expulsion and migration of these brave Loyalists In his inimitable style Newman shines a light on the people places and events that set the stage for modern Canada

Transactions of the Illinois State Historical Society for the Year 1904 Illinois State Historical Society, 1904 **Papers in Illinois History and Transactions for the Year** Illinois State Historical Society, 1904

When somebody should go to the books stores, search commencement by shop, shelf by shelf, it is in point of fact problematic. This is why we present the books compilations in this website. It will categorically ease you to look guide **Charles Dickens 1812187** as you such as.
