

Charles Dickens And Music

Lightwood James T. (James Thomas)

Charles Dickens And Music:

Charles Dickens and Music James T. Lightwood, 2005-12 First published in 1912 this was the first work to inquire into the many musical references in Dickens's works and the interesting light those references shed on ordinary musical life in the English household the various instruments to be found there certain songs and singers and the place of church music in the home Includes six valuable lists of musical references in Dickens and his times This examination of the various musical references in Dickens works is of the utmost importance from the historical point of view for they reflect the general condition of ordinary musical life in England during the middle of the 19th century This title is cited and recommended by the Cambridge Bibliography of English Literature **Charles Dickens and Music.** James Thomas LIGHTWOOD, 1916

Charles Dickens and Music (Classic Reprint) James T. Lightwood, 2017-10-12 Excerpt from *Charles Dickens and Music* For many years I have been interested in the various musical references in Dickens works and have had the impression that a careful examination of his writings would reveal an aspect of his character hitherto unknown and I may add unsuspected The centenary of his birth hastened a work long contemplated and a first reading after many years brought to light an amount of material far in excess of what I anticipated While a second examination convinced me that there is perhaps no great writer who has made a more extensive use of music to illustrate character and create incident than Charles Dickens From an historical point of view these references are of the utmost importance for they reflect to a nicety the general condition of ordinary musical life in England during the middle of the last century We do not of course look to Dickens for a history of classical music during the period those who want this will find it in the newspapers and magazines but for the story of music in the ordinary English home for the popular songs of the About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Charles Dickens and Music* James T. Lightwood, 2016-04-25 For many years I have been interested in the various musical references in Dickens works and have had the impression that a careful examination of his writings would reveal an aspect of his character hitherto unknown and I may add unsuspected The centenary of his birth hastened a work long contemplated and a first reading after many years brought to light an amount of material far in excess of what I anticipated while a second examination convinced me that there is perhaps no great writer who has made a more extensive use of music to illustrate character and create incident than Charles Dickens From an historical point of view these references are of the utmost importance for they reflect to a nicety the general condition of ordinary musical life in England during the middle of the last century We do not of course

look to Dickens for a history of classical music during the period those who want this will find it in the newspapers and magazines but for the story of music in the ordinary English home for the popular songs of the period for the average musical attainments of the middle and lower classes music was not the correct thing amongst the upper ten we must turn to the pages of Dickens novels It is certainly strange that no one has hitherto thought of tapping this source of information In and about 1887 the papers teemed with articles that outlined the history of music during the first fifty years of Victoria s reign but I have not seen one that attempted to derive first hand information from the sources referred to nor indeed does the subject of Dickens and Music ever appear to have received the attention which in my opinion it deserves **Charles**

Dickens and Music Lightwood James T. (James Thomas),2016-06-23 **Charles Dickens and Music** JAMES T. (JAMES THOMAS) LIGHTWOOD,2025-03-28 Explore the fascinating intersection of literature and music in Charles Dickens and Music by James T Lightwood This insightful exploration delves into the significant role music played in the life and works of one of the Victorian era s most celebrated authors Discover how musical influences shaped Dickens writing reflecting the vibrant cultural landscape of 19th century England Lightwood s work provides a unique perspective on Dickens illuminating the musical dimensions within his novels and offering a deeper understanding of the author s creative process This carefully prepared print edition offers a valuable resource for students of English literature music history enthusiasts and anyone captivated by the world of Charles Dickens Uncover the harmonies between words and melodies in this timeless study of a literary giant and his musical world This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Charles Dickens and Music* James

Lightwood,2021-09-17 Book Excerpt wilderness of shrubs in the centre of the square Sounds of gruff voices practising vocal music invade the evening s silence and the fumes of choice tobacco scent the air There snuff and cigars and German pipes and flutes and violins and violoncellos divide the supremacy between them It is the region of song and smoke Street bands are on their mettle in Golden Square and itinerant glee singers quaver involuntarily as they raise their voices within its boundaries We have another picture in the description of Dombey s house where the summer sun was never on the street but in the morning about breakfast time It was soon gone again to return no more that day and the bands of music and the straggling Punch s shows going after it left it a prey to the most dismal of organs and white mice As a Singer Most of the writers about Dickens and especially his Read More *Charles Dickens and Music* James T.
